

Work To Proceed On Coolidge Addition

11 Rooms, Expansion Of Cafeteria; Cost Is Estimated At \$205,000

Receiving an estimate that 11 rooms can be built and the cafeteria be expanded at Coolidge junior high school for \$205,000, the Granite City school board decided Tuesday night to proceed with the project.

A September "target date" for completion of the project, architects Henry Gabriel and Sylvester Dulgeroff will start work now on detailed plans and specifications, with bids expected to be obtained in March.

The project includes additions to all four corners of the building, and Supp. H. M. Kaiser, Jr., said the board that all phases are needed due to enrollment gains in the area served by the school.

"The administration and board need \$300,000 to complete the budget for additions to buildings," Dr. Kaiser noted.

\$180,000 Available

"Through deletion of budget items by the board, and by using the present contingency in the building fund, there is available for construction approximately \$180,000. Any additional money needed for construction can be placed in the 1962-63 budget," Dr. Kaiser said.

As approved, the Coolidge additions will include:

1. A one-story nine-classroom addition at the southeast corner, including an entrance lobby and a 10-foot-wide corridor, \$138,000 estimate. Deduction of two of the nine classrooms will be listed as an alternate bid.
2. A one-story addition to the cafeteria at the northwest corner. Containing 1155 square feet and 33 1/2 x 34 1/2 feet in size, it would cost about \$16,200.

Cost per square foot is estimated at \$14 to \$15, reaching

BIRTHS

Births recorded at St. Elizabeth Hospital:

GIRLS

- Mr. and Mrs. Raymond O'Dell, 817 Stanton, Madison, born Jan. 8, Shirley Jean, five pounds, three ounces.
- Mr. and Mrs. Donald Williams, 1626A Sixth street, Madison, Jan. 8, Kimberly Ann, six pounds, 12 ounces.
- Mr. and Mrs. John Modrusis Jr., 2428 Wilson avenue, Jan. 8, Anna Marie, seven pounds, five ounces.
- Mr. and Mrs. Samuel Chomko, 1015 Greenwood street, Madison, Jan. 8, Sandra Ann, seven pounds, nine ounces.
- Mr. and Mrs. Claude Bosan, 2122 Delmar avenue, Jan. 9, five pounds, 12 ounces.
- Mr. and Mrs. Fred Rehagen, 1740 Breckenridge avenue, Jan. 9, Kathleen Ann, eight pounds, four ounces.
- Mr. and Mrs. Harry Thrasher, 2413 Cayuga street, Jan. 9, Terry Lea, six pounds, eight ounces.
- Mr. and Mrs. Robert Skinner, 4040 Vesel avenue, Jan. 10, Patricia Lynn, eight pounds, 13 ounces.
- Mr. and Mrs. Frank Felker, 2601 East 27th street, Jan. 10, Mary Frances, seven pounds, 13 ounces.

BOYS

- Mr. and Mrs. Charles Lane, 2416 Adams street, Madison, Jan. 8, David, five pounds, eight ounces.
- Mr. and Mrs. John Foster, 3023 Marshall avenue, Jan. 9, Matthew Allen, six pounds, four ounces.
- Mr. and Mrs. Ronald Grzywasz, 1012 Greenwood street, Madison, Jan. 9, Ronald Jr., 10 pounds, 12 ounces.
- Mr. and Mrs. Lawrence Lockhart, P. O. Box 43, Nameoka Station, Jan. 10, six pounds, four ounces.
- Mr. and Mrs. Joseph Robinson, 2809 Marshall avenue, Jan. 10, six pounds, 14 ounces.

GC Steel Buys Iron Ore Mine At Bessemer, Mich.

Granite City Steel Co. has acquired an iron ore mine in Michigan to help meet its increasing iron ore requirements during the next six to eight years, a period in which the company expects to be evaluating and deciding on the development of additional sources for the iron ore consumed in its blast furnaces, Nicholas P. Veeder, chairman of the board and president, said yesterday.

Veeder's statement followed the announcement by Pickens Mather & Co. of Cleveland that Granite City Steel had acquired the granite mining interests which operate the Peterson Mine at Bessemer, Mich., on the Gogebic range. The mine, which employs about 200 persons, will continue under the management of Pickens Mather.

Veeder pointed out that this is the first substantial iron mining facility which Granite City Steel has acquired since the company became an integrated steel producer in 1951 with the purchase of its blast furnace plant.

15% to 25% Supply

The Peterson mine will be able to supply from 15% to 25% of Granite City Steel's total requirement of iron ore, which is presently running at the rate of about 1,600,000 tons.

Veeder pointed out that it has previously been announced that Granite City Steel expects to obtain ownership or control of the sources for much of its iron ore during the 1960s. Most of the present supply is purchased from mining companies.

Commenting on Granite City Steel's joint venture with the American Zinc, Lead and Smelting Co. in the exploration of iron ore in southeast Missouri, less than 100 miles from St. Louis, Veeder said the two companies have now received detailed reports, based on studies by outside consultants, of the engineering and other matters that would be involved in bringing out the ore.

He said that the company has discovered substantial deposits of iron ore of a commercial grade in the area. The iron ore is between 1,000 and 3,500 feet beneath the surface.

Veeder pointed out that development of a fully-productive iron ore mine in the area would require five to seven years. Granite City Steel, he added, is considering other iron ore developments as well, although the company is not able to provide details at this time.

One of the factors in the Bournon area study has been how the amount and grade of the ore compares with the investment required to develop and equip a mining and beneficiating plant.

The Peterson mine is 3700 feet deep. It provides a direct shipping grade of hematite ore that is 53% to 54% iron and that, after crushing and screening, is shipped to Granite City Steel by rail.

The company went ahead with the mine because, he said, at this time, Veeder said, in order to secure its ore requirements for the next six to eight years, it must make up our minds on the difficult matter of long-term ore supplies of more size."

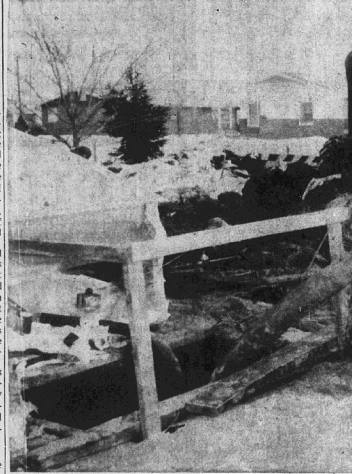

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery performed during the week: Sandy Pence, 2914 Myrtle avenue; Kathryn Sawicki, 2665 Adams street; Hubert, 222 Edison avenue; Fred Trebing, 1824 Sixth street; Madison; Helen Schaefer, 1740 Breckenridge avenue; Margaret Feeney, 919 Third street; Frances McDonald, 2422A Delmar avenue; Norma Jones, 2112 Iowa street.

40 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

No matter what action is taken by the council on the citizens' committee recommendations for drainage relief and pollution abatement, Granite City must halt the dumping of sewage in the Mississippi River by order of the state Sanitary Water Board. The board, headed by G. W. Hoelcher, chairman of the citizens' group, issued a program outlined in the committee's recommendation to the city designating the Mississippi as a \$1,700,000 difference between the cost of a sewage treatment plant to serve the city and a combined sanitary and storm water sewer system and a separate sewer system.

The extra \$1,700,000 could be spent toward separation of the sewer system to provide ade-

NEAR-ZERO TEMPERATURE gives an icy, frosty air to this picture taken Tuesday afternoon at Terrace lane and Clark avenue where a sanitary sewer flooded with water from a broken eight-inch water main, causing water and sewage to back up into basements of homes in the area.

Subzero Weather Brings Fires, Vehicle Troubles

Three days of zero and below weather stalled motor vehicles throughout the Quad-Cities, overtaxing attendants at service stations and garages, causing absent teens and tardy arrivals at businesses and schools and setting records in fuel consumption.

Numerous minor fires also were reported in the area, and bumper business was reported by taxi and bus firms. Only minor instances of frostbite were reported, but the cold weather coupled with snow presented a problem for most Quad-Cityans who sighed with relief at today's forecast for slightly warmer weather. Most persons have been staying home at night, police report.

Traffic Injuries

In 13 traffic accidents reported in and near the Quad-Cities area since Monday morning two persons suffered injuries. One of the accidents occurred on Monday on U.S. Bypass 66-40 west of Mitchell. Hospitalized Hubert, 222 Edison avenue, was treated for a cut to the chin was Clarence Chalupny, 43, of St. Louis. Witnesses said the car was traveling in opposite directions when one skidded sideways.

Firemen Keep Busy

Granite City firemen received six calls in less than 18 hours Tuesday and yesterday as the cold weather conditions continued to plague their operations and the number of fires kept rising.

The first call in the 18-hour period came at 7:40 p.m. Tuesday. James Kilponen, 2827 Pershing blvd., was thawing water pipes with a blow torch at his home. A three-room house trailer when a fire started underneath the sink, firemen rushed to the scene and said that a small amount of insulation had burned.

A second call came at 10:30 p.m. Tuesday. An auto had caught fire at 3157 Aubrey avenue. Arriving at the scene, firemen reported that John Watson had thrown rugs on his motor to keep it from freezing but had apparently forgotten to remove them when he started the car. Damage was estimated at \$150 to the 1957 four-door sedan.

Drifts Block Bend Residents

The main roadway of Bend road had been cleared of drifted snow by yesterday morning, but a pile of snow on driveways and side roads still are preventing many residents of Bend from going to work. Some men have been off work all this week because of stalled or blocked autos.

Early this week, Bend road (Continued on Page 14, Col. 4)

City-Wide Benefits Under Citizens' Plan

Areas of the city now without drainage problems could eventually develop them as more streets are paved and vacant areas built up throughout the community, dumping of surface water to the combined sewer system, he added.

The city's separate sanitary and storm water sewers proposed by the citizen group, the city would have completed separate sewer systems that would provide services for years to come as the city expands and grows.

Cost Comparison

Breakwater Main Floods 15 Basements

Cleanup Under Way At Scene Of Main Break

Householders' along Terrace lane, Clark avenue, Lindell blvd., and Garfield avenue are continuing today to clear away debris from Tuesday morning's water main break at 6 o'clock when the temperature was at zero. Water Company's application to the city for an estimated 10 to 15 basements.

Untold damage to furnaces, automatic laundry equipment, radiators and workshops was reported.

Press-Record reporters were told that water in depths ranging from several inches to several feet backed up through basements, flooded drains, sinks or through automatic laundry equipment into the 10 to 15 basements.

"Complaints at the city hall were registered by nine families—Nick Lombardi, 610 S. Bell blvd.; Bernard S. Miller Jr., 1618 Lindell blvd.; Adelbert Ambuhl, 1521 Clark avenue; with 3 1/2 feet of water; William Hodge, 1532 Clark avenue; Lee Harlan, 1611 Clark avenue; Walter Baker, 1601 Clark avenue; Howard Jones, 1708 Garfield avenue; Stanley Young, 1704 Garfield avenue; and Truxton Allen, 1720 Garfield avenue.

Continuing cleanup operations were reported by the city and smelly sewer fumes from the basement floors, left after the water ran off. Ben Miller, local pharmacist, who moved his family and three children to his parents' home, said he even found rat droppings in his basement. He reported a depth of 14 inches of water.

To ward off the odor of messy basements, householders were forced to open basement windows in the freezing temperatures while washing down debris and attempting to salvage items stored in the basement.

At the Lee Harlan residence, where furniture trouble was reported last Sunday and a new motor installed on the blower, the repairman was called back Tuesday to put in new motors that were damaged in the 20-inch basement flood. Harlan said his laundry equipment also was damaged, "and we lost a lot of things." He said that everything he had, such as Christmas decorations and other things of sentimental value.

William Hodge, whose basement flooded with about 10 inches of water through the basement sink drain, attempted to bail out with a bucket, but then gave up, saying:

Waves Of Water

"I turned around to look back," Hays told the Press-Record, "and saw waves coming down the street—new arrivals, as it were. I ran to the shanty at the north end and used the emergency telephone to notify police."

"Then I began wading through the knee-deep water, knocking out doors of homes along Terrace lane and telling the people to be sure to put their basement drain plugs in. I guess I went to about 15 houses."

Hays called out another city pump and said that the water had been wading up ice and snow blocking drainage catchbasins in the street.

Negotiations Continue

At A. O. Smith Plant

With day-to-day contract extensions continuing, negotiations at the A. O. Smith Corp. help frame manufacturing plant between company officials and officers of Boltemakers Local 575, continued Tuesday.

The sessions have been going on every day this week in an effort to replace a three-year contract which expired Dec. 31. No break in the contract talks was reported today.

Contract talks also are to be resumed this week with Electricians Local 309 and Machinists District Nine whose contracts with the Smith Corp. expired Dec. 31. No sessions have been held this week.

Davis Lists Reasons For Higher Cost Of Project

Solons Give Ok For Levee Board To Award Terrace Lane Contract

A detailed outline of the new sewer line construction along Terrace lane by the East Side Levee & Sanitary District listing reasons for the \$13,769 increase in project costs, was given Monday night by Mayor Davis, and verbal approval was given for the levee district to proceed with the \$90,604 replacement project.

One other quotation was obtained by Alderman Richard George, chairman of the purchasing committee. It was \$255 from the Rite Electric Co., 2141 Madison avenue.

The new sign will be installed between center support poles of an existing canopy. It is described as being an illuminated, single-faced plastic sign with aluminum trim.

Alderman George was asked to seek prices for a snow plow and an all-weather cab that can be attached to present city equipment.

End Dumping Lease

City Clerk Percy Lutz read a letter dated Dec. 28 from City Attorney Nick D. Vasileff to Mr. and Mrs. Elwood Glasper, Eagle Park Estates, stating that the city is terminating on Feb. 1 a lease made with the Glaspers June 3, 1958, for dumping.

The letter explains that the Glasper property has now become overfilled with refuse, rubbish and waste, the city no longer finds it suitable for dumping.

Vasileff expressed the city's (Continued on Page 14, Col. 3)

Dr. Mann Invited

Council members agreed Monday night to meet with Dr. Seymour Z. Mann of Southern Illinois University on Jan. 22 to review the city's study report on government study report on Granite City. The decision was reached at a dinner meeting of council members chaired by Mayor Davis and 14 of the 16 aldermen.

The mayor stressed the council should remember it authorized the study and asked for recommendations to improve the city government.

"We shouldn't just cast the report aside and waste the \$6000 spent for it," the mayor said. "The study is a very important and fundamental sound and while I do not agree with it 100%, and neither do the aldermen, it is designed for long range improvement of the city and not to be rushed into and immediately discarded."

Predicts 85% Adoption

The mayor predicted, "Eventually, I believe about 85% of the 225 major recommendations included in the 220-page report

MORE ABOUT City-Wide Benefits

(Continued from Page 1)

JAMES GRIVAS J.N. Grivas Dies; G-B Restaurant Proprietor

James N. Grivas, 84, proprietor of the G-B Sandwich Shop at 1836 State street, died at St. Elizabeth Hospital at 8:40 p.m. Monday from complications arising from an attack of influenza.

Mr. Grivas resided at 1808 Madison avenue. He had been ill for a month, and was hospitalized for six days earlier but was not released. As his condition worsened, he was returned to the hospital Monday morning.

A native of Greece, he came to the U.S. in 1910. He lived in Iowa until 1926, at which time he came to Granite City and established the G-B Sandwich Shop on 19th street.

When the building housing his first restaurant was destroyed by fire 14 years ago, he moved his business to its present location on State street.

Surviving Mr. Grivas are his wife, Jessie; a daughter-in-law, Mrs. Maureen Cochran, and a grandson, Jack Cochran, also of the Madison avenue address, and two sisters in Greece.

Funeral arrangements are given in the obituary column.

County NFO Elects Ray Iberg President

Highland's Ray Iberg was re-elected president of the National Farmer's Organization Madison county chapter, at Monday's regular meeting of the county organization at the St. Jacob Community Hall.

Also re-elected were Omar Persbacher, vice-president; Robert Rinkel, secretary; and Ed Yann, treasurer. Other officers elected were Calvin Kuntz and Bob Mann, who are a new county director to the 24th Congressional NFO district.

Marino was elected to the board of trustees for three years.

William Fisher was appointed chairman of the county publicity committee and Wilbert Shuebach and Erwin Wein were named to his committee.

Iberg reported on his work on the resolutions committee at the national convention last year in Des Moines, Ia. He said that the average farmer for the past 10 years has lost \$2500 a year because of government support prices. He called Illinois the key state in the NFO picture.

A 1960 convention Illinois had 127 delegates and last year it had 427 delegates. In closing, it was recommended that holding action on beans and corn be continued.

sewer system would cost \$2,937,000 to build under the program outlined by the East Side Levee and Sanitary District for a monthly average charge of \$1.87 per household.

The citizens' recommendation for a treatment plant to handle sewage from a separate system would cost \$1,200,000 or 70 cents a month with an added cost of about \$25,000 to buy trucks to haul filter cakes to the city dump.

Cost of the program outlined by the citizen group would be financed through a \$7,800,000 revenue bond issue and \$1,800,000 assistance from the levee district toward construction of storm water and sanitary relief sewers and \$600,000 federal financial aid toward construction of a sewage treatment plant.

The overall average cost of \$3.40 per household would include 70 cents for the sewage treatment plant, 42 cents for intercepting sewers and \$2.28 for the separate storm water relief lines. In the Nameoki area, where property owners now are paying \$2.50 a month for a separate sanitary system which connects into the city's combined system, the monthly charge also would total \$3.40 with the \$2.50 monthly sanitary sewer fee being adjusted downward to \$2.28 and the added fee of 70 cents for the treatment plant and 42 cents for the intercepting sewers.

The proposal is for the \$7,800,000 revenue bond issue with an annual interest rate of 4 1/4% to be amortized over a period of 28 years.

O'Dell Infant Dies At Hospital Tuesday

Shirley Jean O'Dell, infant daughter of Mr. and Mrs. Clyde O'Dell, 817 Staunton avenue, Madison, died at St. Elizabeth Hospital at 10:45 a.m. Tuesday, 14 hours after her birth.

The Stauntons have two other daughters, Jerrie Lynn, two, and Pamela Rae, one. The mother is the former Miss Jerrie Sherry of Granite City.

Also surviving are the paternal grandparents, Mr. and Mrs. Theodore Sherry of Granite City; and great-grandparents, Mr. and Mrs. Earl Spangler of Venice.

Services were held yesterday afternoon at a Madison funeral home, followed by interment in Sunset Hill Cemetery.

An obituary is given elsewhere in this issue.

Second Communism Course Session Set For Monday

Second workshop session in the Tri-Cities Chamber Commerce pilot course on Communism will be conducted at 7:30 a.m. Monday, at the YMCA auditorium.

Subject of the second session is "Consumer Control on Controlled Consumer," and participants in the course have been supplied with literature on the topic, according to Harold F. Karandjeff, chairman of the C. of C. of citizenship committee.

The course, "Freedom vs. Communism: The Economics of Survival," is a new citizens' course prepared by the C. of C. of the United States.

MORE ABOUT

Davis Lists Reasons

(Continued from Page 1)

or in the minds of our citizens about this matter," the mayor continued, "I would like to give a detailed explanation of these bids."

He pointed out that in some instances the items listed on the bid sheet cost more under the levee district program than under the city bid and in other instances the reverse was true.

The bids figures for excavation and installation of a new 18-inch sewer line totaled \$33,079 on the levee district bid, as compared to \$27,426 on the city bid, an increase of \$5,652.

"We questioned both the contractor and our engineers about the reasons for this increase and were given the following information," the mayor said.

Water table problems
"At the time the bids were submitted to the city several months ago, test borings made along Terrace lane showed that the water level was slightly below the maximum depth of the 18-inch sewer pipe at the depth called for under the specifications."

"This meant the contractor would not have had to dig the water-trenching in order to complete the job, but would have been working over the entire length of the sewer in relatively dry soil. However, test borings made the day before the levee district bids were opened, showed that the water table had risen to a point where now approximately 600 feet of the excavation will be made at depths below the present water table."

Granite City PRESS-RECORD
Page 4 Thurs., Jan. 11, 1962

"This, of course, will necessitate the contractor incurring considerable de-watering that had not been contemplated in the previous bids."

"This same situation applies also to the lift station. There was an increase in the price bid of \$287 from \$28,379 on the city bid to \$28,276 on the levee district bid, which again was necessitated by the fact that the excavation for the lift station will have to be de-watered to a greater extent than was originally contemplated."

Changes For Manholes
"As to the manholes, there is an increase of \$1045. The original specifications prepared for the city call for 11 manholes, 3 1/2 feet in diameter. The levee board standard specifications call for four-foot manholes. The increase of six inches in size on the 11 manholes, coupled with the rise in the water table, brought about the increase in the total cost."

"The item for a sewage ejector station shows an increase of \$3299, which is due to a difference in the type of equipment called for under the specifications. Under the city specifications, a submersible sump pump was called for. At the recommendation of the levee district consulting engineer, the specifications were changed to call for an ejector type pump which was felt would give a better job from the standpoint of maintenance, with little increase in cost. In view of the substantial difference in the cost of these two items (\$812 to \$1613), the engineers have recommended that we return to the original equipment called for."

"Lumber sheeting to be left in place brought about an increase of \$1500 (from no figure on the city bid to \$1500 for the levee district). This item was not bid for the city but was considered as a contingency item. In the final analysis, of course, whether the sheeting is left in place or removed will depend on judgment of the engineer on the job. If it is not needed at the time the work is done, it will not be used."

Small differences in eight other bid items, cut the levee district's proposal by \$453, the mayor noted.

"Summarizing," he continued, "we see then that the total difference of approximately \$13,000 over \$8000 was caused by a rise in the water table on the construction site, \$1000 was caused by increasing the size of the manholes; \$3000 was the result of changing the type of pumping equipment and \$1500 was for items that had been listed as contingency items in the city's bid."

"At our meeting with the trustees of the levee board, I was advised that in line with the engineer's recommendations, the pumping equipment called for the city's bid would be used, which would result in a savings of approximately \$3300 and the manhole sizes would be reduced to the size set in the city's bid."

"Fair And Reasonable"
"In conclusion, I want to re-emphasize that I feel that the bids received by the levee district are fair and reasonable and that any differences that do exist are readily explainable by the changes in the water table and the other factors which I have mentioned."

A comparison breakdown of the levee district and city bids for the project, with the levee district figure listed first:
15-inch pipe installed, \$33,079 and \$27,426; eight-inch pipe, \$1709 and \$1677; six-inch clay sewer pipe, \$229 and \$199; standard manholes at an average depth of 10 1/2 feet, \$4510 and \$3465; curb and gutter removal and replacement, \$748 and \$836; sidewalk removal and replacement, \$24 and \$372; driveway removal and replacement, \$594 and \$594; catch basin removal and replacement, \$1410 and \$1350; crushed stone or slag, \$1574 and \$1962; trench backfill, \$1597 and \$2130; concrete curbs (70 cubic yards) \$4781 and (140 yards) \$7840; granular bedding \$2420 and not bid; pavement removal and replacement, \$852 and \$639; new bottom in manhole No. 27, \$123 and \$42; prefabricated pumping station, \$28,276 and \$25,375; sewage ejector station, \$4912 and \$1815; lumber sheeting ordered left in place, \$1500 and not bid; for totals of \$30,604 and \$76,855.

Parked Car Struck
Robert G. Short, 17, of 4101 Kaseberg lane, was headed west on Johnson road Tuesday at 8:30 p.m. when his car skidded on the ice and struck a parked car in the 1500 block. The parked auto belonged to Charles Gauen, 28, of 3144 Carlson avenue. There were no injuries, police said.

JOHN W. REESE

2 Sons Join Fathers On Board At First GC Bank

Two sons joined their fathers as members of the board of directors of the First Granite City National Bank during the stockholders' annual meeting Tuesday afternoon when the number of directors was increased from 12 to 14.

Named to the board were Samuel E. Pershall Jr., president of Tri-City Grocery Co., and John W. Reese, vice-president of Reese Drug Stores, Inc. Their fathers, S. E. Pershall Sr. and Walter A. Reese, have been members of the bank's board for a number of years.

Other directors, all re-elected at the annual meeting, are Edwin Niedringhaus, T. E. Fischer, Howard Kaseberg, P. W. Kottmeier, P. H. Lichtenberger, W. Pershall, C. A. Ranft, O. H. Remann, C. B. Schlenker and J. J. Stolz.

In a meeting of the directors following the annual meeting, the officers re-appointed were Edwin Niedringhaus, chairman of the board; S. E. Pershall Sr., vice-chairman; Fischer, president and trustee; P. H. Lichtenberger, executive vice-president and assistant treasurer; Charles L. Gavin and Robert L. Toburan, vice-presidents; Harry H. Nelson Jr., assistant vice-president, manager installment loan department; I. J. Pittman, cashier; Walter K. Gavlick, George W. Reeves, Glenn Ruckelshaus and Alex Schenoff, assistant cashiers; and Mrs. Shirley Dinges, auditor.

Four New Officers

In addition, four new officers were appointed. They are Earl Detzner, Howard Eberth and Vernon Law, assistant cashiers, and Vernon Ernst, assistant auditor.

In a report to stockholders, Chairman Niedringhaus outlined changes made at the bank during the past year and continued growth for 1962.

Niedringhaus said, "The past year, our first full calendar year in our new, modern banking quarters, has permitted us to further consolidate and improve our operating procedures. A realignment of duties resulted in promotions for Gavin, Toburan, Reeves, Nelson, Pittman and Mrs. Dinges, enabling us to give recognition within our official family to a few of our many deserving employees."

"Last year also saw the completion of our conversion to the use of the new electronic bookkeeping equipment. The great majority of our customers are now using checks with their account numbers coded in magnetic ink, and the few still using the old style checks are being encouraged to make the change. The ease with which this changeover was accomplished was very gratifying and the employees in our operating department are to be complimented on their ability to adapt to the use of this new type of equipment."

"It is also a pleasure to be able to report that, in spite of the universal fear of loss of jobs due to automation, our changes did not result in the loss of employment to any individual."

Donald Vaughn Opens New Pharmacy Today

Vaughn's Pharmacy opened today at 1830 Delmar avenue, under the management of Donald Vaughn, a native Granite City man who has had 15 years experience with a local pharmacy.

Hours of the new firm are to be 9 a.m. to 9 p.m., daily, except Sunday. A grand opening celebration is planned for February, Vaughn said.

Vaughn is a graduate of Granite City high school, and holds a B.S. degree from the St. Louis College of Pharmacy.

The new pharmacy will be an independent store, carrying all major brands of patent medicines, medical supplies and other items along with a complete stock of pharmaceuticals.

Three Feet of Water in Basement of Home, 1521 Clark Avenue, is Viewed

penitively by Adelbert Ambuehl, who holds a paint brush that flooded by as he was sitting on the steps. The water knocked out the furnace and the family "bridged" the water with furniture to turn off electricity on advice of the fire department. The basement flooded Tuesday morning when an eight-inch water main broke at Clark avenue and Terrace lane and water ran into the sewer system.

More About Clean Up Under Way

(Continued from Page 1)

gave up. About 10 a.m., the water began to run off.

At the home of Adelbert Ambuehl, with 3 1/2 feet of water, a temporary bridge of furniture was built through the water to reach the fuse box and turn off electricity on the advice of the fire department. Ambuehl managed to throw the switch with a rake handle. He was able to back up a deep freeze unit to prevent its flooding, but his basement was afloat with fresh-water-laden clothing. The oil furnace was put out of service.

At the Wade Baker home, where water reached a depth of 37 inches, measured by a Press-Record reporter, no estimate of the extent of damage was available. Both Baker and his wife were hospitalized after being overcome by fumes from a gasoline pump being operated by city laborers to drain the basement.

Break In Water Main

(Continued from Page 1)

Police called the night number of the East St. Louis & Interurban Water Co. at 6:22 a.m.; at 7:15 a.m. and again at 8:17 a.m. Phil Williams, district supervisor for the water company, said he received his notice at 6:40 and immediately called on the emergency crew.

Hampered By Weather

The crew was hampered due to weather conditions. Williams said, but he summoned three trucks to the area to go to various street intersections to turn off valves to isolate the break. Water at the break was shut off between 8 and 8:30 a.m., he estimated.

When water company repair crews were able to get into the hole caused by the boiling of the eight-inch main, located about five feet underground and about eight feet away from the open manhole, they found the broken pipe at a 45-degree angle, Williams said.

He believes the break was caused by sand being washed away due to the sewer breaks and the pumping operations. He said the water company had gone during the summer to repair a similar break along Terrace lane when sewer repairs were under way.

Water company crews continued on the job until the break was repaired. Williams said he also immediately notified Fire Chief Elijah King that three fire hydrants in the area were out of service. Water pressure was down in the Nameoki area until the break was isolated, and homes in a 1 1/2 block radius were without water while repairs were made.

A Press-Record reporter-photographer on the scene talked to residents along Clark avenue and at the home of William Dodge, 1532 Clark avenue, where there was about two feet of water in the basement. The water began receding slowly about 10 a.m.

American Bank Officers And Directors Re-Elected

Shareholders of the American National Bank of Granite City re-elected directors and bank officers during the annual meeting conducted yesterday afternoon at the bank.

The directors re-elected were Arthur F. Buente, Ernest A. Karandjeff, Harold F. Karandjeff, Henry D. Karandjeff, Robert A. Maddox, Peter G. Markuly, Oscar A. Reinhardt and M. Freeman Wolfe.

Re-elected as officers were Henry D. Karandjeff, chairman; Harold F. Karandjeff, president; Charles J. Barievic, vice-president; and Arthur R. Koepfer, cashier.

President Harold Karandjeff reported that the bank's deposits showed an increase of 34% during 1961 and that the profits of the bank since opening for business in March 1959, after reserving for all known contingencies and depreciation of physical

More About Park District Plans Abe Lincoln Program

Granite City's park district is sponsoring a special Abraham Lincoln program Feb. 6 at 7:30 p.m. in the Nameoki school gymnasium. The program is open to the public.

The program will consist of three films made available through the courtesy of Harry Fechte, G. H. Sternberg will speak about Lincoln and answer questions from the audience.

The first film is entitled, "The Story of Two Men." It tells of Lincoln and his school teacher, Morton Graham. The movie lasts 27 minutes. The second presentation, lasting 30 minutes, is entitled, "Lincoln Speaks for Himself." This film features key speeches and excerpts of his life.

Basements Pumped

Mayor Davis arranged with the Granite City Engineer Dept. to send two gasoline-powered pumps into the area, and another pump from the A. H. Seebold Co. was used to pump dry the basements.

The depot pumps were used at two homes in the 1600 block of Garfield avenue. Another resident, Lee Harlan, 1611 Clark avenue, arranged for a private firm to pump the 20 inches of water out of his basement.

A. W. Pearson of the city engineering staff and other city employees toured the area as the manhole was being pumped and found that the water level was going down. He said that by about mid-afternoon most of the basements were clear of water. "The sewer line was empty about 4 p.m.," he said, indicating the runoff was complete.

That left the householders with the chores of cleaning mud and sewer filth from the basement floors and arranging for repairs to furnaces and laundry equipment.

GC Trust Bank Directors And Officers Re-Elected

Directors and officers of the Granite City Trust & Savings Bank were re-elected at the annual meeting of stockholders held yesterday afternoon at the bank.

The directors re-elected are Roy C. Barney, C. L. Louis, G. H. Sternberg, Alfred Walcher, Henry D. Karandjeff, Ernest A. Karandjeff, John McBride, William Brockus, Homer A. Huber and M. D. Waisman.

The officers re-elected are Henry D. Karandjeff, chairman of the board; Ernest A. Karandjeff, president and trustee officer; Elmer Hurry, cashier; Barry Loman, vice-president; Allen Jesse, vice-president; John J. Polson, Joseph Daum, William C. Tyvans, Elmer R. House, A. J. Zedek and Oliver Jacobmeyer, assistant cashiers; Donald Hayes, trustee officer; and Gordon Hoener, public relations officer.

Both Hayes and Hoener are new members of the officer staff, having joined the bank within the past year.

Improved Facilities

In his message to the stockholders, President E. A. Karandjeff stressed the progress made by the bank during the past year and pointed out the improvements in facilities scheduled for completion this year.

"The past year has been an outstanding one in the 'Progress of Your Friendly Bank,'" President Karandjeff reported. "In addition to increasing our overall deposits, we have added many new customers to the bank and we presently serve over 100 Quad-Citizens than ever before in our history."

"Of course, with the addition of more new customers, it was necessary to further increase our services. One of these was the installation of the most up-to-date teller machines. This installation was one of the first of its kind in the nation.

"The new teller machines with the automatic change device speed up the commercial teller operations and increase the efficiency of each teller. This means to the customer quicker and better service."

"The addition of a new parking lot and a walk-up window also increased convenience for customers."

"As we look forward to 1962," Karandjeff continued, "we are very optimistic about the potential for the bank, the community and the nation. We foresee a considerable upsurge of business activity, both local and national, and with it, of course, should follow a sizeable decrease in unemployment. Our bank's progress will be measured by further increases of service to customers."

"Some of the new facilities are already under way."

New Drive-Through

The new drive-through from Edison avenue to Delmar avenue is nearing completion and will bring banking facilities closer to our merchant customers and others. This should greatly alleviate the traffic congestion on Edison avenue.

In addition, another drive-up window adjacent to the two now existing has been purchased to move faster. To complete the new picture, we are building a two-window, walk-up teller station on Delmar avenue directly adjacent to Schermer Hardware."

President Karandjeff said the continued aim of Granite City Trust & Savings Bank is to carry out the thought of its founders, originated over 50 years ago, "to bring more and better service to its customers and to the community. This aim has been pursued with the fullest extent possible since the origin of the bank."

Hold In Custody

Charged with making a check to defraud by Dale Higgins, proprietor of the Congress Bar, Bartley L. Messer, 40, of 1745 Delmar avenue, arrested yesterday at 6:30 p.m., Messer was held in custody today at the Granite City police station.

New Building Highlights Year At Madison Bank

Directors and officers of the First National Bank in Madison, Wis., were re-elected during a meeting at the bank's new quarters, 600 Madison avenue, Tuesday afternoon.

Annual reports indicated that 1961 was a "good year," highlighted by completion of the new bank building. A profit was noted despite the construction costs.

Directors retained by the stockholders were James R. Alcott, Max and Walter Blumfeld, Francis Lahey, James Frangoulis, Frank Fijan, Dr. John E. Lee and Louis B. Rellly.

At the board's organizational meeting after the annual meeting, the directors again elected Alcott as chairman of the board, Dr. Lee as president, Lahey as first vice-president, Max Blumfeld as second vice-president, and as executive vice-president and Andre Gitchio as cashier.

State Loan Renames Officers, Directors

All officers were re-elected for State Loan & Savings Association during the annual organizational meeting held Tuesday afternoon at the association's office, Niedringhaus and Edison avenues, with Dr. A. H. Rode, local dentist, renamed president.

Other officers re-elected were D. F. Little, executive vice-president, and Robert E. Backs, secretary-treasurer.

The meeting was attended by all directors who were renamed at an earlier meeting. They are: Dr. Rode, Bernard S. Miller Jr., Carl A. Ranft, Alfred C. Stover, Walter Sons, Little and Dr. J. C. Byers Jr., local physician.

Mat Win At Ritenour Milestone For Schmitt, GCHS

Pindell's Decision Is 2000th Since Wrestling Coach Came Here In 1951

When Granite City high school's varsity wrestling squad pummeled Ritenour high school of St. Louis Tuesday 44-10, Coach Bill Schmitt's club did a little more than upend the defending Missouri state prep champion.

Don Pindell, in winning the first bout of the afternoon, boosted to 2000 the total number of individual matches won under Schmitt's tutelage since the sandy-haired strategist, himself a former collegiate mat champion, took over the wrestling reins at GCHS back in 1951.

During the same period, Warrior wrestlers have lost 674 matches and grappled to 75 draws, a winning margin of approximately 750.

Reaching the milestone had some effect on the usually conservative Schmitt. "It was one of our better nights, I suppose you could say better than any other this season," he offered. "We were down a little with (Roger) Bloodworth and (Larry) Reynolds, regulars at 130 and 127 pounds, out with the flu, and the last thing I told the boys was, 'Remember now, we need pins!'"

Seven Pla Wins
The Warriors responded with seven pins, and were never headed as they scored their 12th victory in 13 meetings with Ritenour. The point spread was also the largest in the history of the cross-river series. In 1957, the Warriors, on their way to a second-place finish in the state finals, defeated Ritenour 38-7. Ritenour's only win came in 1954.

Apparently taking notice of the varsity's performance, Bob Whelan's GCHS jayvees responded with a 28-24 victory over their Ritenour counterparts, the first defeat for the host team in three seasons and the first win for GCHS in five

Granite City PRESS-RECORD Page 6 Thurs., Jan. 11, 1962

dual match competition as of today.

"We hope to be strong enough to stop them (Urbanas)," Schmitt said, "if the Champagnes matches don't take too much out of us."

Status Doubtful

The health status of both Bloodworth and Reynolds is still a question. Neither boy was attending classes yesterday.

Tuesday's varsity results:
85 pounds — Paul Lapinski (GC) pinned Ron Brown, 1:23; 103 — Dan King (GC) pinned Dennis Lankford, 5:00; 112 — Skip MacMillan (GC) pinned Nelson Boles, 5:19; 120 — Ken Dixon (R) pinned Larry Brisky, 3:53.

127 — Dan Young (R) pinned Larry Keel, 3:55; 133 — Buddy Feichlin (GC) pinned Boyd Brown, 3:14; 138 — San Fazio (GC) pinned Barry Rodes, 12:33; 145 — Eldon Poole (GC) pinned Mike Powell, 1:18.

154 — Bob Cruse (GC) pinned Charlie Jones, 10:41; 160 — Charlie Haug (GC) pinned Harry Shepard, 1:42; 180 — Bob Kary (GC) pinned Charlie Jones, 4:53; heavyweight — Don Pindell (GC) pinned Charlie Maellin, 5:2.

3 Weekend Matches

The Warriors will have no time to rest on their laurels. Tomorrow at 7:30 p.m. they are at home to Southwestern conference opponent East St. Louis. Granite City leads the conference with a 3-0 mark, and Schmitt does not look for the Flyers to dent that record.

Saturday's schedule may prove tougher. Granite City will grapple at Champain at 1 p.m., and then host a battle in a cross-town trip to Urbana and a 4 p.m. mat date with that school's team, which is undefeated in

Coolidge Wins 7th Straight Wrestling Bout Tuesday, 53-5

With individual team members scoring seven pins, Coolidge junior high school wrestlers waited to their seventh straight win of the season Tuesday at Wood River, where they defeated the Oiler freshmen, 53-5.

Bob Mosser's Braves picked up 15 easy points as they were awarded three bouts by forfeit. Of Coolidge grapplers who pressed opponents, 154-pounder Ernie Kern required the shortest time—28 seconds.

The Braves wrestle Riverview Gardens of St. Louis county at Coolidge tonight, beginning at 8 o'clock. Earlier, Coolidge defeated tonight's opponents 35-16.

Thursday's match results:
95 pounds — Richard Bledsoe pinned Richard Thorpe, 1:29; 103 — Steve Cavanaugh (C) pinned Bill Meyers, 1:02; 112 — Ben Nelson (WR) pinned Les Mitkos, 4:43; 120 — Steve Shaw (C) won by forfeit.

127 — Tom Morsky (C) pinned Doug Zimpel, 2:31; 133 — Jerry Tugel (C) pinned Ed Albersson, 15:07; 138 — Tom Craycraft (C) pinned Jewel Hand, 3:29; 145 — Mike Mouzette (C) pinned Dennis Duane, 0:35.

154 — Ernie Kern (C) pinned Pat Taylor, 0:28; 165 — Gary Forshee (C) pinned Dennis O'Neill, 0:35; 180 — Ken Bravley (C) won by forfeit; heavyweight — John Evenden (C) won by forfeit.

Two exhibition bouts also went to Coolidge wrestlers, as both Harry Briggs and Harry Jones won by falls.

Lusk Leads Madison Past Prather, 46-40

Sparked by the return of Paul Lusk to their lineup, Madison's junior high eighth graders defeated Prather's eighth grade team 46-40 Tuesday night. Lusk, who broke his leg earlier in the season, led the winners with 20 points.

Sharing scoring honors was Jim Rains of Prather, who also tossed in 20 markers. Coach Sam Serwatka's Madison five trailed at the end of the first three quarters but outscored its opponents 17-9 in the final stanza to win.

In the preliminary contest, Madison's seventh graders won 33-15. Don Nowicki and Larry Nelson led the winners with 19 and eight points, respectively. Larry Reader was high for Prather with six.

Statistics Support 11-0 MHS Record

Individual and team statistics compiled here this week lend strong support to the 11-0 record sported by Madison high school's basketball Trojans.

Earl McClanahan's clan is where it is including a fifth ranking among prep teams in Illinois mainly because of the Trojans' free-wheeling offense, rolling in the area. Madison is posting along at a 78.8 points-per-game clip.

And the Big Green is the stingiest school among four in the Quad-Cities when it comes to giving up points to the opposition, allowing an average of just over 54 per contest.

Add to these figures the fact that the Trojans have two regulars hitting in double figures, including the local area's leading offensive player, Don Freeman, and the current 11-0 mark does not seem unearned.

Individual statistics for the four schools and top ten scorers excluding Granite City's contest with Dupo last night, follow:

School	W	L	Av. G	Av. O
Madison	11	0	78.8	54.2
Lincoln	3	2	71.0	61.8
Venice	3	6	62.3	68.1
Granite City	0	9	44.6	64.2

Trojans Entertain Roxana In MWC Contest Tomorrow; Seek 12th Win

Currently riding atop the Midwestern Conference race with a 3-0 mark, Madison's unbeaten Trojans will meet their stiffest conference test of the campaign tomorrow night when they host the Roxana Shells.

Sporting an 11-0 overall record, Madison is favored to whip its opponent. But should the Trojans falter, they should find themselves a half game behind Roxana in the conference standings. The Shells, after beating Bethalto Tuesday night, are 3-1 in loop play.

Coach Jim Wasem is rebuilding this year. However, his Shells have compiled an impressive 10-3 record and captured the Jerseyville holiday cage tourney.

Last year, Madison defeated Roxana twice, by 70-57 and 73-56 scores. The Trojans were 10-0 in conference play for the season.

Like To Set
In describing this year's Roxana players, Coach Earl McClanahan stated, "They are very good at the free throw line. They made 33 of 40 attempts in the Jerseyville tournament and recently made 29 against Highland." He went on to explain that the Shells use a lot of screens and are tough to beat if a team lets them set.

Madison's press care of the latter situation. The Trojans employ an all-court press from start to finish. It provides an explosive attack for

the Big Green, which has scored almost at will on many occasions already this season. The latest instance was 20 straight points against Highland last Friday night.

McClanahan is expected to go with Don Freeman, Bob Haynes, Mike "Blaze" Graville, Ken Griggs and either Terry Anderson or Charles "Boz" Kossek as the starting five against the Trojans. He will also add to the Trojan bench will be the return of Charlie Venarsky.

Venarsky Will Dress
Venarsky had won a starting position with the Trojans at the start of the season, but broke his wrist in the second quarter of the first game of the campaign at Sparta Dec. 2. He has been out of the lineup ever since.

He is scheduled to have his cast removed tomorrow morning and is expected to dress for the game.

Coach McClanahan cautioned that he probably will not use Venarsky during the contest because of his obviously weakened condition. Venarsky has worked out with the varsity from time to time and has watched most of the other practice sessions since his accident. However, the wrist he broke was his shooting hand and it may need plenty of exercise before he can regain his old form, his coach reports.

The preliminary contest will start at 6:30, with the varsity encounter getting under way at 8:15 p. m. tomorrow.

St. Joseph Tops

Namecki Methodists; First Assembly Wins

A late rally pushed St. Joseph past Namecki Methodist 55-48 Monday night at Coolidge junior high in the park district's Church League play. In the nighttime, First Assembly topped stubborn Trinity Tabernacle 75-53.

Led by Sonny Antoff's 15 points, St. Joseph scored 20 points on steals in eight seconds in the closing minutes to out distance its opponent. E. F. Castello and Ed Takmajian added 13 and 12 points, respectively.

Don Hornberger took individual scoring honors for the losers with 19 points and Ken Schellert contributed 11.

Scoring 115 points in its last outing, First Assembly was slower of Trinity Tabernacle's tactics and nearly beaten for three quarters. John Draper led the winners with 36 markers and Bud Gosnell tossed in 16.

Carl Main was high for the losers with 19.

SIBPA Keglers Will

Try Again Saturday

With ice and snow-covered highways causing last Saturday night's Southern Illinois Bowling Proprietors' Association Classic league matches to be canceled, the same schedule will be rolled instead this coming Saturday at East St. Louis' Bowl-A-Way lanes, beginning at 9 p. m.

League-leading Falstaff Beer (33-21) will roll Shop City Bowl (25-29), host Lemay's Bowlers Shop (28-25) will try to take over second place from present occupant Calhoun Bowl (31-23), Fairmont Bowl (27-27) is matched with local entry Bowl and Schlitz (24-30), and Ripley Bowling Pins (28-26) will meet Busch Bavarian (19-35).

AMVET AUXILIARY LEAGUE BOWLING, MONDAY
Shamrock Tavern 2, A & J Hardware 1; Millie & Mickey 2, Seven Up 1; Schultz 2, Black Bakery 1; Lincoln Ave. Beauty Shop 2, Ramsey Plastering 1; Euple Tarris 187.

Flyers' Long

Top Producer In SW League

At this point, the East St. Louis Flyers are not serious contenders for the Southwestern conference basketball title. They might be if Coach Pick Dehner had a few more boys around who could match strides with Jim Long.

A Press-Record all-conference football end for the past two seasons, the 6-3 Long apparently is not bothered by the transition from r to hardwood. Currently, he is running away with the SWC basketball scoring race, averaging an even 26 points in five games, three of which have been won by the Flyers.

A good portion of those points have been scored against Belleville and Collinsville, the 1-2 teams in the SWC standings as the conference season nears its midpoint.

Long's closest competitor, although he did not gain any ground this past week, is Collinsville's Ron Matkitts, who is running points at a 20.2 clip in the loop. These two are the only players who have reached the 100-point level at this stage.

The Southwestern conference's 10 leading scorers:

Name & School Games TP Avg.
Long, E. St. 5 130 26.0
Matkitts, Calv. 5 101 20.2

Baptists Crush Tri-City Park, 120-34; Sacred Heart Wins

Second Baptist chalked up their fifth win without a defeat last night at Coolidge junior high school in the park district's Church League by pounding hapless Tri-City Park Tabernacle 120-34. In the other game, Sacred Heart defeated St. Bartholomew 77-69.

Five players hit double figures for Second Baptist. George Sykes was high with 35 points but received help from Tom Finn and Rich Franklin with 25 and 24 points, respectively. Ed on Jackson hit 18 for the losers.

Faced by Jake Hinters's 25 points, Sacred Heart moved in to a first place Division II with St. Bartholomew. Paul Mosby contributed 19 markers for the winners. Glen Sprankler was high for St. Bartholomew with 24 and Hank Nowicki added 17.

Roxana Pins 31-19 Wrestling Setback On Prather JHS

Roxana ninth grade wrestlers won the last five matches, four of them by pins, to come from behind and defeat Prather junior high school in Roxana Tuesday afternoon.

The Chiefs had won the first three bouts and stayed ahead until they dropped the 145-pound bout.

Prather, now 4-3, will wrestle Belleville here this afternoon at 4 o'clock, and already own one victory this season over the visitors. Tuesday's match suits:

55 pounds — Glen Morgan (P) decisioned Cruse, 9-7; 103 — Bob Finley (P) decisioned Bryant, 13-2; 112 — Mike Joyce (P) decisioned Johnson, 7-0; 120 — Shanks (R) decisioned Phil Miner, 8-7.

127 — Perez (R) pinned Leroy Tidwell, 5-0; 133 — Gary McGauley (P) pinned Bernard, 5-0; 138 — Nick Petrillo (P) pinned Moxey, 2-56; 145 — Ravenberg (R) pinned Bob Davis, 3-45.

154 — Jeffers (R) pinned Burton Stark, 0-50; 165 — Hollis (R) pinned Bob Mouser, 1-33; 183 — Robertson (R) pinned Ed Gelbach, 3-25; heavyweight — McPherson (R) decisioned Danny Boyer, 5-0.

Reconditioning Of GC School Football Equipment Planned

The wear and tear of the 1961 football season in the Granite City district will be eliminated with cleaning and repairs costing an estimated \$87. The school board Tuesday night authorized reconditioning of 177 shoulder pads, 118 hip pads, 70 helmets, 20 pairs of shoes and 11 pairs of practice football pants by Century Sports, Inc. of Carbondale.

Cost per unit is about the same as a year ago—56¢ higher on some items and slightly less than last year on others—when most of the work was done on high school grid paraphernalia.

High school and Coolidge junior high equipment predominate in the new batch chosen for repair; Prather junior high helmets, shoes and pads are newer and withstood the past campaign well.

In checking all football equipment, Athletic Director Richard Yates and a Century Sports representative singled out 77 pairs of shoulder pads for new elastic, and listed seven pairs of hip pads and four pairs of shoulder pads for new foam rubbery, in addition to the general cleaning and repair.

Attempts to handle the work on a sealed bid basis were made in each of the past three years but proved unsuccessful in the last two of those years, the administrative staff reported to the school board. Another Carbondale firm went out of business, work done by a St. Louis firm was unsatisfactory, and only other midwestern football repair firms are in Wichita, Kan., and Columbus, O., it was noted.

VHS Advances At New Baden; Plays Wesclin Tonight

Winner Meets Lebanon In Title Game

The Venice Red Devils will tangle with Wesclin of Trenton in the semifinal round of the New Baden basketball tournament tonight at 8:30, with the winner gaining the right to meet Lebanon at 8 p.m. Saturday for the tourney title.

The resurgent Red Devils, sparked by rock star Vince, defeated Marissa 1-0 in an opening round game Tuesday. Last night, Lebanon, tabbed as the team to beat in the eight-school double-elimination meet, moved into the championship finals by squeezing past Ashley in a semifinal contest, 64-63.

Prior to the Ashley-Lebanon game, Brees edged Tamarua 42-42 in a double-overtime game in the consolation bracket.

At 7 tonight, Aviston and Marissa play for a berth in the consolation finals with Brees. The losers' final will be played Friday at 7 p.m.

The third-place final Friday at 8:30 p.m. match Ashley and the loser of tonight's Venice-Wesclin contest.

Ashley, Lebanon Win

In upper-bracket first-round games Monday evening, Ashley jumped Brees 52-41, and favorite Lebanon advanced to the semifinals by dropping Tamarua by a 62-48 count.

Wesclin whipped former MCM conference member Aviston 66-56 in another opening round contest Tuesday, and then Ohlendorf's Red Devils ran Marissa-second half, hanging up the largest victory margin of the tourney thus far.

Apparently on the comeback trail after dropping six of its first seven games this season, Venice won its second straight and the chance for another crack at Wesclin in the semifinals. The Warriors had beaten the Red Devils in Venice Dec. 5 by a 63-58 score, and also gained a victory in the MCM tourney, played earlier.

Weather and Travel

Weather and travel conditions directly hampered Venice's first half against Marissa Tuesday. The bus carrying the VHS team arrived at Trenton just 10 minutes before game time, and the Devils had no chance to warm up before the contest.

They pulled ahead 8-6 after a slow first quarter, and were swept out by halftime and ahead 27-19.

"I think we shot about 12% in the first half; boy, it was cold on that bus," said Ohlendorf.

But the club warmed to its chore, hit 65% and pumped in 50 points in a good second half. Don Devany, who managed one lonely free throw in the first 16 minutes, pumped in 25 points in the last two quarters and got double-figure help from steady Jerry Cicio, who totaled 16, and Pete Fields, who hit his season's high with 14 points.

Marissa, which dropped to the losers' bracket and will play Aviston tonight at 7, is having its troubles winning. The team is 1-9.

Tuesday's first game was more or less a personal scoring duel between Wesclin's Ralph Johnson, who scored 23, and Aviston's Dave Stricker, who took game honors with 27. But the Warriors, using only five players all the way, had better balance.

The Venice-Marissa scoring: Venice — Don Devany 26, Jerry Cicio 16, Pete Fields 14, Paul Siltion 9, Jim Ebersold 5, Jack Fields 4, Larry Mueller 2, Dan Moad 1, Jim Horman 0; Marissa — Schad 14, Bailey 11, Harman 11, Hall 7, Gaunt 4, Schiffendauer 2.

Miller Bags 52

As Ragan's Top

Venice AC, 120-71

With Bob Miller scoring 52 points, Ragan Lumber trampled Venice AC 120-71 last night in the park district's Classic League action. Friedman's defeated Ernie's and Annie's in the other game, 76-61.

Miller's point production was an individual high for park district league play this year.

While Ragan scored 120 points collectively, so did Second Baptist in the Church League. The latter team set a one-quarter high of 44 points in the last period.

Dave Hrysko added 22 markers for Ragan's and Ray Jones was high for the losers with 23. Ragan's hit with consistency, piling up quarter totals of 30, 31, 29 and 30.

In the other game, Don Williams 30 points led Friedman's past Ernie's & Annie's. Grant Takmanian led the losers with 19 markers.

The Classic League standings: Team W L Ragan Lumber 4-9 Spangler Insurance 3-1 Friedman's 3-1 Venice AC 1-9 Bowland 1-8 Ernie's & Annie's 0-8

Warriors No Match For BHS In Opening Round At Dupo; Drop 10th Straight, 70-44

Granite City's Warriors, who played the first 10 minutes and 40 seconds without scoring a field goal, were no match for Belleville's Maroons last night in an opening round game of the Dupo invitational basketball tournament.

Jerry Turner's club, although not impressive before a slim crowd, took advantage of an almost non-existent Warrior offense in a 70-44 walk-away which marked the second Belleville victory this season over the Redmen, who are now 0-10.

In Wednesday's other first-scoring, Dave Renn led the round contest, O'Fallon had the round contest with 16 points. Vic Buehler, who scored all of his 12 markers in the final quarter, topped GCHS scorers and was also the club's leading rebounder.

Continues Tonight

The tournament continues tonight when Freeburg meets Belleville Cathedral at 7:15 and the Alton tackles host Dupo at 8:45. O'Fallon and Belleville will meet in a semifinal contest Friday at 7:15 p.m., followed at 8:45 by a contest between the winners of tonight's games.

Granite City will seek its first victory Saturday at 1:30 p.m. in a consolation bracket semifinal against Jerseyville. To-Frally sparked an O'Fallon comeback which moved the team ahead 43-39 at the end of three periods.

Scoring: Granite City — Vic Buehler 12, Bill Boyd 7, Larry Wortham 6, Jim Proffitt 5, George Sykes 5, Larry Niblin 3, George Brink 2, Elton Hall 2, Perry Tayan 2, Ricky Rugebush 0, Charles Papp 0, Ron Yates 0; Belleville — Dave Renn 16, Barry Jackson 14, Les Lund 12, Roger Bechtold 10, Jerry Jovett 4, Gary Hearne 4, Dennis Gergch 2, Terry Harvey 3, Jim Payne 3, Joe Bailey 2, Bob McKeivley 0, Charles Budde 0, points.

3 Fouls Out Early

By halftime, Belleville led 31-15, and Granite City was in deep foul trouble. Charles Papp, Larry Wortham and Jim Proffitt, in that order, fouled out with more than three minutes remaining in the third period.

The inexperienced Warriors were further handicapped by the absence of the club's only letterman, Guard Glen Hoffman, who suffered frostbite of both hands Tuesday night and had to bypass Wednesday's trip to Dupo.

Turner experimented with 12 different players, 10 of whom

JOHNSON MUSIC

NOW FORMING NEW ORGAN CLASSES

KEYS TO HAPPINESS . . .

New classes are now being formed and conducted by Johnson Music in our studio equipped with electronic organs. It was estimated that approximately 600 students per week will be accommodated. Children and adults are invited to take advantage of this FREE ten lesson course. All they need to do is come to the studio and register for a class that suits their convenience.

In our studio pictured above during a recent lesson are Patricia Hamilton, Barbara Wood, Barbara Holtkamp, Carolyn Schneider, Mary McCarty, Linda Sheffer, Sharon Hancock, Cathy Vandever, Skip Hamilton.

Here is a chance for you and your children to begin a hobby that will help overcome the tensions of modern living that often lead to anxiety, fear and illness.

Through creative self-expression, you can find peace of mind, which is a key to a successful and happy life.

Learning to play the Lowrey organ is so simple. Our qualified teaching staff will have you playing the very first lesson.

There is no charge for lessons, no obligation to purchase.

SOCIETY

Job's Daughters / Plan Theatre Party On Jan. 20

A scheduled meeting of Job's Daughters, Bethel 43, was held Tuesday evening.

Miss Lana Ryder, honored queen, presided and Miss Edith Champion, past honored queen, and guardian treasurer, and Miss Margaret Champion, grand representative to Maryland, were escorted.

Committee reports were given and plans were made for a theatre party at the American in St. Louis Jan. 20.

Mrs. Nell Baskette is guardian of the Bethel and Dr. E. H. Theis is associate guardian.

Approximately 35 were present at Tuesday's meeting and were served refreshments by the Job's Daughters Mothers Club.

PUBLIC INSTALLATION

A public installation of officers of Cascade Temple 216, Pythian Sisters, will be held Jan. 16 at the IOOF hall. Plans for the ceremony were made at a regular meeting of the Temple Tuesday evening.

Library Books Added By PTA At St. Mary's

Twenty-two members attended a monthly meeting of St. Mary's Parent - Teacher Association Monday evening. The president, Mrs. Genevieve McClure, presided over the business session, and a valentine social was discussed.

The valentine event is to be held Feb. 14 for the school children and parents. A social also is to be given during March, with further arrangements to be made later.

A number of books have been purchased by the association for the school library, it was announced.

The hostesses, Mrs. Ann Bialczak, Mrs. Helen Krakowicki, Mrs. Janet Werner and Mrs. Barbara Plante, served refreshments prior to a social time. The next meeting will be held Feb. 12.

Mrs. Bowman Is Hostess For Club

Mrs. John Bowman, 3051 Washington avenue, was hostess to her pinocle club Tuesday evening.

The birthday of a member, Mrs. Frank Schwarzkopf, was celebrated and she was presented with gifts from her "sunshine friends" and from the club. Refreshments were served from a table centered with an anniversary cake, and prizes in the games were awarded to Mrs. Bowman, Mrs. Joe Parente, Mrs. John Fleming, Mrs. Joe Johnson and Mrs. Schwarzkopf. Others present were Mrs. Hubert H. Smith, Mrs. Peter Ager and Mrs. Andrew Hogan.

The next meeting will be held Jan. 24 in the home of Mrs. Fleming, 2712 Michigan avenue.

Greeters Club Sees Safety Movie Tuesday

A meeting of the Tri-City Greeters Club was held Tuesday evening in the ladies' lounge of the First Granite City National Bank with 18 present, including three guests, Mrs. Ann Wade, Mrs. Jackie Terpstra and Mrs. Carol Kujawski.

Mrs. Flossie LeMaster was in charge, and a motion picture on "Safety" was shown by George Mauze, manager of the local Southwestern Bell Telephone Co. The hostess, Mrs. Hazel Brink, served refreshments and the prize for the evening went to Mrs. LeMaster.

The group will meet again Feb. 13 at the office of the Illinois Power Co., when a demonstration on proper laundry procedures will be given.

Eagles Auxiliary Past Presidents Hold Meeting

The Past Presidents Club of the Eagles Auxiliary 1126 met Monday evening in the home of Mrs. Mary Hart, 2205 Madison avenue.

A buffet supper was served and a business session was conducted by Mrs. Letta Schroeder. The remainder of the evening was spent at games and awards were made to Mrs. Ann Hordecky, Mrs. Schroeder, Mrs. Mary Korschog, Mrs. Marguerite Vrenick, Mrs. Margaret Johnston and Mrs. Hart.

The next meeting will be held Feb. 12 in the home of Mrs. Hazel Fierston.

ALUMNA ASSOCIATION WILL MEET

Tri-City members of Sigma Sigma Sigma Alumni Association will entertain the Madison St. Clair County Tri-Sigma Association at a meeting Wednesday evening, Jan. 17, at 7:30 at the Rose Bowl. Officers of the newly-organized group are to be elected.

Anyone interested in attending may contact Mrs. Richard Houston, 2816 Ralph street.

MEETING POSTPONED

The meeting of the Junior Bay View Reading Club which was to have been held Friday evening in the home of Mrs. Charles Lechow Jr., on Old Alton road, has been postponed until January 19.

Latin American Music Program At Webster PTA

Robert D. Todoroff, band instructor at Coolidge Junior High School, presented the program at the January meeting of the Webster school Parent-Teacher Association Monday evening at the school.

The president, Mrs. Jo Ross, conducted the business session. Brownie Troop 165, under the direction of Mrs. Armie Barfield and Mrs. Allene Moore, conducted a flag ceremony and Clyde Lee, principal, read the PTA prayer.

Reports were given by Mrs. Helen Frazier and Mrs. Eileen Trichtchuh. Mrs. Doris Stott announced that \$747 in savings stamps had been sold from September to December.

Mrs. Lena Seitzer reported on the success of a membership drive that was held during an open house in November.

"Founders' Day" will be observed at the February meeting, and the Boy Scouts will present the program.

On behalf of the unit, Gerald Lux presented name plates to Miss Emma Rose, who accepted the plates on behalf of the teachers. Principal Lee and Miss Vita Siltan were presented with desk nameplates.

The unit will select two representatives to the Area Council PTA recognition dinner and purchased tickets for the scout leaders and wives to attend the Boy Scout dinner.

Mrs. Ada Avery introduced Todoroff and his Latin American band ensemble.

A bolero entitled, "Aquila Melodia," a rhumba, "Siboney," and a samba "Tico, Tico" were a few of the selections presented by Linda Jungles, Joe Weizer, James LaGrande, David Bourbon, William Winter, Linda Fromling, Eugene Bryant, Susan Strauser, Grace McGance, Cathy Folia, Sandra Parker and William Ebrecht.

The meeting was adjourned to a social time, with refreshments served to approximately 75 by Mrs. Pat Pool, Mrs. Jeanette Morlen and Mrs. Ann Hinds.

GUESTS AT WESTBROOK HOME

Mrs. Howard Sharp and Mrs. Raleigh Dillinger of Cambridge, who are here to attend the funeral today of Howard Westbrook, will be guests over the weekend of Mrs. Westbrook, 1 Cleveland blvd.

Cradle Shower For Mrs. Osborn

Mrs. Ann Osborn was guest of honor at a cradle shower given Tuesday evening in connection with a regular meeting of Group Six of the Christian Women's Fellowship of Central Christian Church, 2020 Johnson road.

The worship service and lesson study were in charge of Mrs. Joann Hillmer, and Mrs. Doris Edwards, the leader, conducted the business of the group.

Refreshments were served and the prizes for the evening went to Mrs. Lucille Hannebrink, Mrs. Hillmer and Mrs. Kay Davidson.

Also present were two guests, Mrs. Elmer Gruen and Mrs. James Craddock, and Miss Jackie Parrish, Joyce Willmore and Mrs. Linda Leggett.

CLUB BOARD DISCUSSES SPRING STYLE SHOW

The Granite City Junior Service club executive board met for a monthly planning session Monday evening at the home of Mrs. Louise Kovar, 2113 Manley avenue, with Mrs. Theima Jacobsen, president, in charge.

Principal discussion centered on a "spring style show," which was scheduled for March 6 at the Granite City high school auditorium.

Mrs. Jean Ann Vrenick, chairman of the event, discussed the number of local stores which plan to participate and announced that local models will be used.

The agenda for the club's regular meeting Jan. 15 at the Elks club was outlined, and it was agreed to hold a "white elephant sale" following the regular business session.

A dessert course was served by the hostess to conclude the evening. Board members present included Mrs. Evelyn Morris, Mrs. Eva Burns, Mrs. Charlotte Rapp, Mrs. Marabeth McConnell, Mrs. Bernice Fitzpatrick, Mrs. Mary Schaefer and Miss Margie Greenedonner.

The next executive meeting was arranged for Feb. 12 at the home of Mrs. Burns, 2900 Fortune drive.

What's the purpose of a Disposal Sale at the beginning of the year. Each year at this time our buyers go to the Furniture Market in Chicago to buy merchandise for the next six months. By reducing our stock we are able to make larger purchases and thereby purchase at a lower price. Therefore Fredman Bros. are going all out to dispose of thousands of dollars worth of overstock, floor samples and discontinued numbers at the lowest price in years. By charging off and completely eliminating the usual profit for this furniture, by making extra drastic price cuts, we will give you savings that would ordinarily be impossible. If you want real values, real savings, don't miss this New Year Disposal Sale.

DE

SOCIETY

Missionary Gives Talk At WSCS Meeting Tuesday

Miss Frances Mitchell, a missionary from Uruguay, was guest speaker Tuesday evening at a meeting of the Woman's Society of Christian Service of Niedringhaus Memorial Methodist Church.

Miss Mitchell, who returned recently from Montevideo, where she has been a teacher in the Methodist school, told of the work of the school and churches and discussed the customs of the people and their general lack of interest in anything religious.

Her next assignment will be Chile. Don Metzger, superintendent of Youth Work at Niedringhaus, assisted Miss Mitchell by showing slides of the school where she worked and of other interesting places in Uruguay.

Mrs. Minnie Finkbeiner conducted the meeting, held in Wesley Hall, and prayer was offered by Rev. E. V. Campbell. During the business hour, the secretary and treasurer reports were given by Miss Clarence Campbell, and an appeal was made for supplies to be sent to Neighborhood House in East St. Louis, including quilt pieces, old sheets and soap.

Twenty-three were present and refreshments were served by a committee composed of Mesdames Esther Taylor, Pauline Cox, Mabel Hulse, Kathryn Richardson and Misses Cleo Ulin and Anna Marie Hahn.

PEO Meets With Mrs. Maxton

Mrs. David B. Maxton, 30 Oaklawn drive, entertained Chapter HT of the P.E.O. Sisterhood at a luncheon meeting in her home Monday.

Mrs. Mary Miller presided and the program for the afternoon was given by Mrs. Maxine Anderson. On "International Peace Scholarships," it consisted of records by the young women from various foreign countries who have received P.E.O. scholarships and slides on the subject. The next meeting will be held at 7:30 p.m. Jan. 22 in the home of Mrs. Pauline West, 1202 Twenty-seventh street.

MISS PATRICIA ANN REED, whose parents, Mr. and Mrs. C. Dale Reed, 2005 Manley avenue, are announcing her betrothal to Charles G. McDowell, a son of Mr. and Mrs. Charles F. McDowell of Walnut Grove, Calif. The wedding date has not been set.

Engagement Of Miss Kopp, Jerome Holden Announced

Mr. and Mrs. Hillard D. Kopp Jr. of Van Nuys, Calif., are announcing the engagement and forthcoming marriage of their daughter, Miss Judith Kopp, to Jerome H. Holden, a son of Mrs. Irene Holden, 2618 Jerden avenue, and Elwyn H. Holden, 2 Bermuda lane. The wedding will take place Jan. 27 at 8 p.m. at the Encino Presbyterian Church in Van Nuys.

The prospective bridegroom graduated from Alameda high school in Alameda, Calif., and served four years in the U. S. Navy, graduating from the Navy Electronics School. He is a grandson of Mrs. Henry Hoopengardner, and the late Mr. Hoopengardner, and of Joseph Holden and the late Mrs. Holden. He has two brothers, Jack and James Holden. The latter will serve as best man at the wedding.

Mr. Holden and his fiancée are both employed by the Litton Electronic Co. in Tarzana, Calif.

FORMER RESIDENT IS MARRIED

Announcements have been received of the wedding recently of Miss Elaine Dameron, a daughter of Mr. and Mrs. Leo A. Dameron of Roodhouse, Ill., formerly of this city; and Larry Ray Lichtenberg of Kirkville, Mo.

The ceremony took place Dec. 23 at First Baptist Church in Roodhouse with the Rev. H. L. Janvrin officiating. A small reception followed at the home of the bride.

ENGAGED. Miss Judith Kopp, daughter of Mr. and Mrs. W. J. Kopp of Van Nuys, Calif., whose betrothal to Jerome H. Holden, 2618 Jerden avenue, and Elwyn H. Holden, 2 Bermuda lane, is announced.

The former Miss Dameron is a graduate of the Granite City high school and will receive a Bachelor of Science degree in speech correction at Northeast Missouri State Teachers College next month. She has been active in the B.S.U. Oral Interpreters, in play productions at the college and secretary of the College Players Thespan Group. The bridegroom graduated from the same college with a Bachelor degree in chemistry. He is a member of Alpha Kappa Lambda fraternity and is employed in Chicago.

Mrs. Surbey Gives Program For Evening Guild

Mrs. Georgia Surbey, spiritual life chairman, was in charge of the program Tuesday evening at a meeting of the Evening Guild of St. John United Church of Christ held at the church. The topic was "Church of the Living God."

Mrs. Dorothea Rivenburgh read the Scripture lesson and announced plans for a prayer service to be held in the church sanctuary from 7 until 7:30 p.m. just preceding the monthly meetings.

Mrs. Bea Fittenhouse, the newly-elected president, was in charge and plans were made for the members to attend a Social Action meeting in Belleville on Jan. 17. Coffee parties are to be resumed again this year, and the Guild is planning to serve the May 4 fellowship luncheon of the Quad-City Council of Church Women.

The hostesses, Mrs. Wilma McQuinn, Mrs. Joann Schneider, Mrs. LaVerne Willard and Mrs. Thelma Suess, served refreshments from tables decorated with a winter theme.

Two of the ladies celebrating birthdays in January, Mrs. Alice Frowder and Mrs. Vivian Davis, were honored by the guild.

Lesche Club Hears Review

Members of the Lesche Literary Club, meeting Tuesday in the home of Mrs. Ernest Veith, 2401 Pontoon road, heard a review of the book "Dr. Kate Anderson on Snow Shoes," prepared by Mrs. Clyde Lester and presented by Mrs. Lee Stevens.

A dessert luncheon was served before the business session presided over by Mrs. E. D. Kincaid. Fifteen were present, including a guest, Mrs. Eugene Coe.

The club will meet again Jan. 23 when Mrs. Bernard Miller sr. will entertain at the Rose Bowl and the program topic will be "Shocking Life" by Elsa Schiaparelli.

Golden Circle Plans Supper

The Golden Circle Club held a business meeting Tuesday at Kirkpatrick Homes Recreation Center with Ben Olive, president, in charge.

The group discussed the formation of a kitchen band with as many as wish participating, and also the next pot luck and social meeting to be held Tuesday, Jan. 23 at 12:30 p.m. at the Center. The next meeting for a graduate of the Madison high school and also attended the University of Illinois and Southern Illinois University in Alton.

MARINE PFC ASHLEY RETURNS TO DUTY

Marine Pfc Edward M. Ashley, a son of Mrs. Chester Ashley, 1737 Third street, Madison, has returned to Portsmouth, Va., after spending the holidays with his mother and his brothers, Jim and Larry.

A graduate of the Sea School in Virginia, he has been given a special assignment at the atomic submarine base in Holyloch, Scotland, where he will be stationed for two years. Ashley is a graduate of the Madison high school and also attended the University of Illinois and Southern Illinois University in Alton.

Mothers Club Hears Talk By Sister Teresa

The Mothers Club of Sacred Heart school, meeting last night in the cafeteria of St. Elizabeth Hospital, heard an informative talk by Sister Teresa of the hospital staff on "Modern Use of Medical Hypnosis in Medicine and Dentistry."

Sister Teresa is an alumna of Sacred Heart school and the Granite City high school and a graduate of St. Louis University. She is a registered nurse and at present is an anesthetist at the hospital.

Approximately 50 members attended the meeting and plenary were made for another guest speaker at the Feb. 14 meeting in the school basement when Dr. Felicia Koch will discuss physical fitness. The public is invited to attend.

Gold Rush Party For Sorority

Mrs. Theodore Overbeck and Mrs. Charles Lewin Jr. were hostesses last night to Eta Alumna Chapter of the Phi Tau Omega at a "gold rush" party in the Overbeck home, 37 Rivers drive.

Favors, the table centerpiece, tallies and prizes were all in keeping with the theme and 10 members were present.

Those who won awards were: Mrs. Henry Gabriel, Mrs. Phil Meyer, Mrs. Charles Rodell, Mrs. George Louis, Mrs. Celestine Lucas, Mrs. Charles Jungels, Mrs. Douglas Little, Mrs. Harry Cook and Mrs. Kenneth Graham.

Joint Meeting For 2 Sororities

Theta Theta Chapter of Beta Phi sorority met last night at the home of the president, Mrs. Virginia Johnson, 2645 Grand avenue.

The group entertained members of a sister chapter, Phi Beta Tau, and their president, Miss Diane Nemeth, and 11 members of the two groups were present.

A regular business session was held and plans were made for an area convention to be held here in the spring.

The prize for the evening was awarded to Mrs. Alice Sanchez and announcement was made of the next meeting to take place Feb. 14 in the home of Mrs. Queenie Elleff, 3119 Colgate avenue.

Sorority Meets At Willmore Home

The home of Mrs. Joyce Willmore, 2600 East 27th street, was the place of meeting last night for Epsilon Eta chapter of Epsilon Sigma Alpha sorority. Mrs. Carol Grove was hostess for the evening.

Mrs. Judy Hintner, president, was in charge, and Miss Virginia Hix, secretary, presided. Mrs. Hintner announced an Easter party for mentally retarded children. Plans were also discussed by Mrs. Lucille Tritsch, social chairman, for a pizza party Jan. 24 at the Willmore home when each member will bring a guest. The group is also making arrangements to attend a holiday show in St. Louis next month.

Miss Harriet Dix, rushing chairman, announced a new chapter would be "started" in the spring. A committee composed of Mrs. Nancy Sabo, Mrs. Roberta Arbelter, Mrs. Hintner and Mrs. Janice Billelo is arranging a tea for prospective members to take place Jan. 28.

Chapter Meeting For Theta Iota

Theta Iota chapter of Beta Sigma Phi sorority held a meeting last night in the home of Mrs. Alice Konecny, 504A Madison avenue, preceded by an executive board meeting conducted by Mrs. Beatrice Brackett, president.

The names of "secret pals" for the coming year were exchanged and Mrs. Joyce Todt was awarded the "round robin" a bakery product.

Miss Ruth Stoyanoff conducted the cultural program. The "Connoisseur" was given by Miss Marcela Pahliser. Refreshments were served by the hostesses to the members and two guests, Miss Denise and Miss Sherrill Dorch.

The evening went to Mrs. Debra Dorch.

Women Of Moose Hear Mrs. Mih

Mrs. Jennie Mih, chief care chairman, was in charge of the meeting of the Women of the Moose and guest speakers were Mrs. Margaret O'Dell and Mrs. L. Kavula, nurses in the pediatric department of St. Elizabeth Hospital, who discussed care of the young patients there.

Mrs. Mary Murgie, senior vice president, presided and called a special meeting for Jan. 16 at the home of Mrs. Emma Laird to complete plans for the mid-winter conference to be held here.

The next regular meeting of the chapter will be held Jan. 24.

MORE ABOUT

City of Madison

(Continued from Page 1)

appreciation for cooperation received during the term of the lease. The Glaspie were served with a copy of the letter on Dec. 29. No decision has been made on a new dumping area.

In other business, the council approved Police Chief Barney Fraundorf's annual report and traffic reports submitted to the FBI and National Safety Council.

Milton Morris, chairman of the Tri-Cities Area United Front Municipal Units Division, presented Mayor Maeras with a "Campaign Oscar" for the city's part in the 1961 UP drive. Morris was the only UP division to exceed its quota.

Morris praised residents of Madison, merchants and city employees for their United Front effort.

Maeras thanked Morris for the presentation and echoed his praise for the community.

Claude E. Holmes, 32, Dies Early Today

Claude E. Holmes, 32, of 2108 East 24th street, died at 6:40 a.m. today at the Cochran Veterans Hospital, St. Louis, of complications from a brain tumor. He had lived in Granite City six years, and was a farm hand.

Survivors are his wife, Debra; three sons, Audie, Drew, and Hansen, all of Granite City; two brothers, Billy and Donald; two sisters, Shirley and Ruth, and his parents, Mr. and Mrs. Hayden Holmes, all of Harrisville, Ohio.

Services will be held at 9 a.m. Monday at the Davis Funeral Home, where the remains may be viewed after 7 p.m. Saturday, with interment in Jefferson Barracks Cemetery, St. Louis.

Car Hits Locomotive

James P. McGovern, 27, of Oakley, N. J., was driving east on 19th street Tuesday at 10:50 p.m. when his car struck the rear end of a Wabash railroad passenger train. McGovern told police he was nearly across the crossing when the northbound locomotive backed up in front of him. He added that the protective gates were still up. No damage or injuries were reported.

complete plans for the mid-winter conference to be held here.

The next regular meeting of the chapter will be held Jan. 24.

Sub-zero Weather
(Continued from Page 1)

was blocked by snow at two points, residents reported. Three homes are without fuel, due to inability of trucks to deliver oil and liquid gas to them.

All families have adequate food supplies, it was reported.

Rural Roads Drifted
Road crews in Namecock township, under the direction of Commissioner Charles Hanks, have been working virtually around-the-clock since last weekend's snow, operating snowplows to keep the townships 78 miles of rural roads open and passable.

Record Gas Consumption
The Illinois Power Co. sent out record quantities of natural gas for the 24-hour period ending yesterday morning, according to Area Manager E. G. Schmitt, surpassing last year's peak amount by 40%.

A total of 308-million cubic feet of gas was supplied by Illinois Power for the company-wide area during the record-breaking period. Top amount delivered during a comparable period last year was 220-million cubic feet.

Take time to think—that way you won't get into trouble saying just what you think.

O'Neill, Simon Exchange Charges In Senate Fight

A shuffler appears to be fast developing for the state senate seat being vacated by Sen. James O. Monroe sr., Probate Judge Patrick O'Neill and State Rep. Paul Simon this week reformed their senate candidacies and exchanged critical statements. Granite City Assessor Harold Von Dee Cruise also is a contender.

Judge O'Neill charged that Simon promised to support O'Neill for the state senate. He also questioned the propriety of Simon withdrawing from the U.S. senate race after accepting campaign contributions.

R. Simon replied that he had misinterpreted his stand, and labeled O'Neill's charges as "wild and irresponsible." He said he respects the U.S. senate race and hopes that their primary election fight will be waged on a higher level in the future.

O'Neill's statement follows: "Early in October of 1961, I announced my candidacy for state senator in the 47th Senatorial District of Illinois. Mr. Simon requested a luncheon meeting at the Mineral Springs Hotel in Alton with my father and myself to aid him in getting Democratic organization support in his candidacy for U.S. senator."

"That time he not only assured us of his 100% support for myself as state senator, but he said also that if he did not run for U.S. senator he would run again for state representative, which his eight years' experience and seniority in the House would be of great value."

Simon's committee in Chicago sent a letter to all Democrats in which he requested contributions to support his campaign for nomination as Democratic candidate who could actively and effectively oppose Sen. Dirksen next fall.

"Simon's promise to me in October is not particularly important, because he can break his word if he wants to, but it is a different matter to solicit funds from Democrats all over Illinois for support of campaign for U.S. senator, after such statewide solicitation to break his promise to Illinois Democrats."

Plans To File
"I will file my petition for the Democratic nomination for state senator for the 47th Senatorial District of Illinois with the secretary of state on Jan. 15, and will be a candidate for that office on Tuesday, April 10, in the state primary."

Simon's reply follows: "Upon learning of the O'Neill statement, I have to admit I was a bit amazed. It is true that I had lunch with him and his father at the Mineral Springs Hotel."

"We discussed my possible race for the U.S. senate and I indicated that I felt I was selected for the U.S. senate race this would help the candidacies of Pat O'Neill and all other Democratic candidates."

"At that time I did not anticipate entering the state senate race. My primary interest was the U.S. senate race. As I recall our conversation, it centered almost entirely on that race."

Made No Commitment
"I respect the integrity of Judge O'Neill and I am sorry if anything I said gave him the wrong impression. Certainly, I made no commitment such as he suggests."

"I want to get the Democratic organization's support for U.S. senator. I said from the beginning that if some other candidate was nominated by the state Democratic organization, whom I could in good conscience support, I would not contest the nomination. If a candidate was selected who did not live up to the ideals of our country, I would make a fight of it."

Prizes Yates
"As it turned out, a fine and honorable candidate was selected. Cong. Sidney Yates, and I then withdrew from the race."

"The cost of mailings, printing, releases and the operation of the Chicago office exceeds income by about \$1000. I will be happy to make these records public to judge O'Neill or anyone else. In addition, all of my personal, travel and living expenses came out of my pocket."

"I don't know who advised Judge O'Neill to make these wild and irresponsible charges, but I'm sure a reflection he will want to conduct the campaign."

Mrs. Marie Diepholz Dies After Collapse

Mrs. Marie Catherine Diepholz, 60, of 2624 Iowa street was found dead at her home on arrival at St. Elizabeth Hospital at 7:10 a.m. yesterday after being stricken with an apparent heart attack while on her way home from work.

She had just left the Granite City Steel Co. cafeteria, where she was employed by the Chiles Catering service, when stricken. She had not been ill, and the collapse was unexpected, the family said.

An inquest will be conducted by Deputy Coroner Henry Pieper.

In the future on a higher plane, I have too much respect for Judge O'Neill to believe that he plans to conduct a gutter campaign."

Mrs. Marie Diepholz was born in Austria, and had been a Granite City resident 22 years. She was a member of Concordia Lutheran Church, the Ladies Aid Society there and the Mission Guild of Lutheran Women. She had been employed by the catering firm for nine years.

Survivors include a daughter, Mrs. John (Ruth) Azan of Granite City; five sisters, Mrs. Katherine Michel, Mrs. Elizabeth Kostoff and Mrs. Robert (Caroline) Hudgens, all of Granite City; Mrs. Melvin (Christine) Braasch of Prairie Town, Ill., and Mrs. Phyllis Koch of Carpenter, Ill.; a brother, Jacob Bauer, Collinsville; and a grandson, Daniel Cluts of Granite City.

Funeral arrangements are given in the obituary column.

No man can grow and prosper unless he learns to shoulder his share of responsibility.

MORE ABOUT

Work To Proceed

(Continued from Page 1)

that amount partly because of a need for landfill and deep footings. The site of the nine-classroom addition includes part of the former fishing road location.

Work On Roads Delayed
Completion of a new front exit road to expedite traffic near the Coolidge school has been delayed by the wave of snow and cold weather, the superintendent reported.

Also delayed is a connecting link between a near roadway at Granite City high school and a proposed parking site on black-top behind the GCHS gymnasium building.

Nicholas Kostoff, 41, Dies Unexpectedly

Nicholas Kostoff, 41, of 807 Niedringhaus avenue was dead on arrival at St. Elizabeth Hospital at 12:20 p.m. yesterday after being stricken with an apparent heart attack at his home.

An aunt said Mr. Kostoff had seemed to be in good health, and his death was unexpected. He was getting ready to go downtown, and collapsed when he leaned down to pick up his coat, she said.

Mr. Kostoff was a core joiner at General Steel Castings Industries, where he had been employed 15 years. Born at Hammond, Ind., he was a 33-year Granite City resident.

He belonged to the Bulgarian Orthodox Church in Madison and the United Steelworkers union.

Survivors include his mother, Mrs. Ann Kostoff of Granite City; a daughter, Miss Carol Ann Kostoff, a top senior at Granite City high school; his grandmother, Mrs. Anna Sepsel, also of Granite City; and several aunts and cousins.

Funeral arrangements are given in the obituary column.

St. John SYF To Be Host To 200 Sunday

The Senior Youth Fellowship of St. John United Church of Christ on Nankenski road, will be host to an estimated 200 young people from the denominations churches in a 25 city area, including Clinton, Jersey, Macoupin, Bond and Madison counties on Sunday, beginning at 2 p.m.

Meetings such as this are designed to encourage fellowship on the local church level and to inform the youth on various matters concerning their future.

The program will include a get-acquainted session prior to the devotional service which will take place in the church sanctuary. This will be followed by a concert reading and a talk by Rev. Eugene Smith of Wood River and discussions groups. A youth panel will answer questions with Rev. Smith moderating and a film strip "A Review of 1961 Activities" will be shown. It will feature the St. John Senior Youth Fellowship.

Band Parents Discuss Tag Days, Performances

The Granite City high school Band Parents' Association met at the school band room Tuesday evening, with President Sid Strotheide conducting the business session. Mrs. Zettia Staudacher, ways and means chairman, discussed various projects under consideration by the group, including the annual "Tag Days," tentatively set for April 19, 20 and 21.

She announced that permission for the tag day project will be sought from the recognized authorities prior to a definite decision.

It was reported that the band's immediate schedule includes a performance at a basketball game Jan. 19 and at a student party the following evening.

Koenig Holds First Civil Defense Meeting

Civil Defense plans for the coming year were discussed at a meeting last night at the Granite City CD office, the first conducted by new director Victor H. Koenig.

Attending were Theodore Todman, Floyd Mitchell, Luther Rudder, Monroe W. Meyer, Lewis E. Sablin, John Becker, Howard Anderson, Gilbert Richter, Donald Watson and Mrs. Valerie Evenden.

Cub Leaders Meet

Twenty-five pack leaders from 12 packs of the Unihw District met Monday night in the Carpenter's hall under the leadership of Commissioner John Slay. Recruiting awards were presented to packs 2, 15, 19 and 22. Iris Walton taught blue and gold themecraft to the ladies present. The evening theme was "Parade of Presidents" and Floyd Pitchford showed a film-strip.

C. of C. Urges City Support Of Citizens Drainage Plan

President Paul Lichtenberger was authorized by the Tri-Cities Chamber of Commerce board of directors to write Granite City Mayor Leonard Davis and city council members urging them to adopt the citizens committee recommendations to provide sewer and pollution abatement facilities as quickly as possible. The motion came after a report from G. W. Hoelscher, chairman of the C. of C. sewage and drainage committee, given during the board meeting Tuesday evening at the Rose Bowl.

Favor Highway Program
Lichtenberger was also authorized to write Gov. Otto Kerner and Ralph Barmes, Illinois State chief highway engineer, thanking them for the area highway development program outlined for this year. William Morris, chairman of the transportation and highway committee, reported and described this year's state highway program.

The board also endorsed the county's land use and zoning program for unincorporated areas. Lichtenberger gave the planning and zoning committee report for Chairman E. C. Schmitt, who was not present.

Community Interest
Harold F. Karandjoff, chairman of the good citizenship committee, reported that the pilot study of Communism, started on Monday, has created much community interest.

The writing of an industrial

development brochure for the area is progressing satisfactorily, according to C. E. Townsend, chairman of the industrial development committee. Townsend added that there is an item on the Tri-Cities area in this month's issue of the SIE Industrial Property Guide—which is sent to 25,000 top industrial executives and industrial realtors.

Sam L. Meyer, chairman of the congressional action group, was unable to attend, but Lichtenberger reported that 34 business leaders and professional people have agreed to serve on the committee.

Congratulate Madison Team
The board also passed a resolution directing Lichtenberger to send a letter of congratulations to Madison high school for its victories in the East St. Louis holiday basketball tournament.

Lichtenberger reported that William C. Brockus, chairman of the light industry committee, has announced that his group will meet Tuesday with the meeting devoted to business ethics.

Two new members were announced by Chester L. Dader, chairman of the membership committee. They are Gateway Loan Corp. and Grady Business Form, Inc. The membership were made out to Harvey Miller and Teddy R. Grady, respectively. Miller's membership was secured by Christ Pashoff and Grady joined voluntarily.

JOINT OBSERVANCE OF 16TH BIRTHDAYS

Kathie Tolka and Herbie Lochmann were surprised with a party on their sixteenth birthdays Sunday, given by Mrs. Catherine Lochmann and Mrs. Rose Zotti at the home of Mrs. Rose Zotti on Rural Route One.

Two large decorated cakes centered the table. Games were played and they listened to records.

Refreshments were served to Donna Dean, Ruth Ann Ortolan, Rudy Kurzak, Nancy Kurzak, Elaine and Roslyn Zotti, George Gregus, Elaine Gregus, Tommy Dickhouse, Tony Gregus and Mrs. Mary Gregus.

The honorees received many gifts.

HOME FROM MARYLAND

Mrs. Edward Gieszmann returned home Sunday after spending six days visiting her son-in-law and daughter, Peter and Mrs. Larry Goeller and daughter, Helen Rene in Millersville, Md.

Den Four of Cub Pack 23 met Monday evening with Mrs. Edna Barron. The boys said the pledge and promise, talked about the theme of the month and closed by reading the Knight Code. Present were Scottie Rushing, Bill Barron, Mike Norton, Danny James and David Dayton.

Den Two of Cub Pack 23 met Tuesday evening with Mrs. Frances Harper, 3865 Lake street. The boys said the pledge and promise, sang, made crowns and Boys present were John Harper, Danny Dalgner, Jeffery Morris and Jimmy Hicks.

BULLETS FROM STATUE

In 1776, a lead statue of King George III was brought to Litchfield, Conn., from New York and melted into more than 42,000 bullets for the American soldiers.

MORE ABOUT GC Council To Meet (Continued from Page 1)

increased — but not 15 — and names will be changed.

He said it was likely the changes would be back to street sanitation, police, fire, etc. committees instead of the public works, public safety and personnel committees under the reorganization.

The move to dump the SIU report was made several weeks ago by Alderman Walter Nann when Mayor Davis was hospitalized. At that time, Nann said the mayor was willing to go along with the majority of the council and follow its wishes.

Nann called for cancellation of the SIU program by Jan. 22, the date Dr. Mann has been asked to appear. Mayor Davis said he probably will have his committee changes ready by that time. The council, under a meeting schedule outlined in the SIU report, normally meets on the fourth Mondays of the month for committee sessions only. Nann has requested the council go back to its former procedure of conducting regular sessions on the first, third and fourth Mondays of each month.

West Granite

MRS. GUSTIA PENDLETON
2223 Illinois Avenue
TR. 6-5027

SELECT NAME FOR SON

Mrs. and Mrs. William A. Freeman, 2224 Illinois avenue, have selected the name of Ricky Lee for their sixth child and fourth son, born Jan. 2 at the St. Louis Maternity Hospital. His weight at birth was eight pounds, two ounces.

Dr. Kathleen Jones Primary Sunbeams met Tuesday afternoon at Second Baptist Church to continue a study of American Indians. Clay was used to model objects that the Indians helped early settlers to discover and use. Bible verses were chosen and are to be presented to an ill friend.

Prayer for Dr. Jones' and other Southern Baptist missionaries in Indonesia was given by Mrs. Betty Lewis, who led singing and told a story. Miss Wanda Lupardus gave closing prayer. Others present were Gary Lewis, Larry Anderson, Corky Burnett, Danny Bug, Robert McCord, Debbie Withers, Patricia Box and Michael Reynolds.

The Mildred Richardson Sunbeam band met Sunday at Second Baptist Church. The leader, Mrs. Amy Toney, led in prayer. The group sang, and Mrs. Toney read a story.

Refreshments were served, and the children spent the remainder of the time playing. Present were Tammie Lupardus, Vickie Weitz, Kevin Crown, Nancy Sanders, Kathy Anderson, Carla Lupardus, Gail Lewis and Lenore Weitz.

Rosen Is 'Soul Searcher' In Piano Performance

by John McCabe Moore and Dan Tudoroff

Charles Rosen, a pianist of rapidly rising name, performed the second concert of the 1961-62 series before the local Community Concert group Tuesday evening at the Granite City high school auditorium.

In this day of "similar fellows," Mr. Rosen showed himself to be most individual, for he is no slave to "approved" interpretation. He simply goes after the soul of a work and that is what he presents. Rosen tingles with quiet strength — a dynamic urgency, a tension of expectancy and a reservoir of power that is almost visible.

Two Chopin Etudes (the Chopin Etudes were written purposely to perfect the keyboard technique of the piano) illustrated the brilliance and perfectionism of both composer and artist. Mr. Rosen sacrificed none of his own distinctive character, yet he puts the breath of Chopin into his production.

Rosen is like the actor who portrays personalities more faithfully than they themselves. Continuing with Chopin's Etude in F Minor, which Rosen calls the "passion and resurrection of Poland" — funeral, multi-battle prayer and deliverance — Rosen presented this mighty work without the overdrawn sentiment that tempts many artists in dealing with it. The nostalgia is there, but it is made subordinate to the great and final issue. The runs were immaculate. The ending was a clear, forceful hymn emanating a sense of boundless growth.

Beethoven's Sonata, Opus 81a "The Farewell" (this was a part of the departure of Archduke Rudolph, who left Vienna as Napoleon's armies arrived) was presented by Rosen as a series of moods and states of mind in respect to leaving, but the sense of actual departure never inserts itself. This is most interesting in view of the fact that the Etude was not written until the Archduke returned a year later. The Adagio-Allegro movement (the farewell), Andante-Espressivo (the absence), and Vivacissimamente (the return). The beginning is made with the distant sound of a martial horn, moves through thoughts of leave-

taking, the sentiments of absence and, without pausing, goes into the expectancy and happiness of "return."

Ravel's Spanish pieces were next presented, and the high color, brilliance, and exquisite sense of sound that characterize Ravel became as living things. Rhythm, airiness, the sound of the swirling helios, flashing runs and glissando passages, and again the rhythmic airiness defines Alborada del Gracioso. The Ondine is a picture of the shimmering, rippling, splashing and calming of water in various wave motions. Rosen showed technical perfection, yet his own deliberation and strength were infused. Ravel was considered to have understood sound itself as no other composer has. But Rosen understands Ravel better.

Schumann's Symphonic Etudes, Op. 13, which was written "cold" on the suggestion of another man, nevertheless is among the composer's best, and has the bittersweet, unfulfilled flavor of Schumann as much as anything he produced. It was a well-chosen work, for Rosen's striking clarity is accentuated by Schumann's, and the power and massive thought of Rosen is implemented through the exuberance and brilliance of the finale.

Liszt's Hungarian Rhapsody No. 10, at once impetuous, melodiously languorous, monotonous, ear-catching, was an excellent medium for Rosen, expressing to a degree the very freedom and strength of his own individuality.

As an encore, Mr. Rosen presented Chopin's Theme and Variations with flawless technique. The sense of great control was apparent in all of Rosen's work. The tempest nature of "Theme" was overruled by the controlled power of Rosen. The second encore, the artist produced Debussy's Etude for 8 Fingers, whose ceaseless rippling, rising and falling, brilliant scales and trills and perfectionist glissandos demand boundless technique. It left the audience with the breathless feeling that carried them through the entire performance. Mr. Rosen is not merely brilliant — he is a nonpareil who will not be duplicated.

Local Welfare Groups Propose Joint Council

Fourteen board members and employees of five Quad-City social welfare agencies discussed the advantages of forming a social agency council during a meeting held Monday afternoon at the city hall in Granite City.

The council would include lay people, who would aid in fostering public understanding and support for the work and needs of the welfare groups. United Fund board approval of the plan is to be sought.

Possibility of joint monthly informal meetings between agency representatives also was discussed.

No direct solution was found for a common problem voiced by the Coordinated Youth Services, Protestant Welfare, Catholic Charities, Boy Scouts and Mental Health Clinic representatives — staffs too small for the growing caseloads. The CYSS reported a need for more space, but the others said their quarters are adequate.

Dentists Install, Dr. Hillmer Is President

The Tri-City Dental Society met Tuesday evening for a dinner meeting and installation of officers. The topic of discussion was "Mouth Protection for Football Players."

The local dental group reported that since there is a state school athletic association requirement for protection of mouth of football players, dentists want to assist local schools wherever possible.

New officers installed were Dr. Kenneth Hillmer, president; Dr. Richard Yeager, vice-president; and Dr. Earl Miller, secretary-treasurer. Dr. Leo L. Coleman is chairman of publicity. The retiring officers were Dr. Vasili Vasiloff, president, and Dr. Albert Triani, secretary-treasurer.

The evening's entertainment for the dinner at Cline's restaurant, was furnished by Bud Dietrich, an East St. Louis magician.

GCMS Music Club To Initiate 31 Tonight

Modern Music Masters, honorary organization composed of outstanding vocal and instrumental music students at Granite City high school, will initiate 31 new members at a gathering tonight at 7:30 in Room 135 of the vocal music department.

Parents and members will witness the ceremony, conducted by band director, and Warren Simpkins, vocal music director.

School District Seeks To Acquire Main Post Office

The Granite City school board adopted a resolution Tuesday night to make formal application for acquisition of the present main post office located at Niedringhaus and Delmar avenues and 26th street.

The application, signed by President Robert Spengler and Secretary George Eubanks, will be directed to the state government, which is to handle disposition of the post office building and site for the federal government.

A new main post office is to be constructed this year at 24th street and Madison avenue, and if there is a downtown branch it would not be in the existing post office building, it has been learned.

A special Chamber of Commerce committee which spearheaded the drive for a new post office has not yet received definite word that a branch office will be established in the business district, but hopes to obtain such a Post Office Department decision.

With the scheduled construction on Madison avenue, there has been much speculation about the future of the triangular site occupied by the existing post office. The tract is located in the heart of the community's main commercial area, and one suggestion has involved razing the building and creating a parkway.

The school board's action instructs its attorney, Maurice Dalley, to submit detailed information to the state on the district's need for the facilities and its plans for using the building.

The post office structure would be converted to office, storage and classroom use under the proposal.

TIP TO MOTORISTS

Good drivers may not receive the recognition they deserve, but their families aren't likely to receive sympathy cards, either.

PREBYTERIAN WOMEN

HEAR MISSIONARY

Miss Frances Mitchell, a former Granite City resident, is presently on furlough from her missionary duties in Uruguay, was guest speaker Monday evening at a regular meeting of the Nameoki United Presbyterian Women's Organization, held in the educational building of the church.

Miss Mitchell, who is spending her leave of absence with relatives here, has taught English and other subjects for the past three years in various mission schools in Uruguay. She is planning to return to South America next month.

In conjunction with her talk, which dealt with religious, social and economic conditions at her assigned station, Miss Mitchell illustrated her lecture with color movies taken during her missionary tenure. She was assisted by Mrs. Margaret Hammond of Wood River, who showed the films.

The program was preceded by greetings from the president, Mrs. Alta Stewart, who welcomed the guests. Mrs. Whitaker, Mrs. Peggy Mangum, Miss Mitchell and Mrs. Hammond. Mrs. James B. Hammond, the devotion, taken from the topic, "A Larger Life," and read names of missionaries for the day. She concluded with prayer for their endeavors.

Mrs. Stewart presided over the business session, with Mrs. Bea Pyle, program chairman, and Mrs. Louise Anderson, service chairman, outlining their plans for the coming year. An announcement was made of a monthly meeting of the Afternoon circle Jan. 25 in the home of Mrs. Betty Flinn, 4748 W. 20th street. The circle members will be entertained in the home of Mrs. Violet Jeffers on Bremen avenue Jan. 25.

Before adjournment, a brief ceremony was conducted for Mrs. Whitaker and Mrs. Mangum, who were accepted as new members of the organization. Closing meditations were led by Mrs. Betty Flinn. Members were reminded of a study program on "Deeper Beliefs of the Presbyterian Religion," scheduled for the next regular meeting Feb. 12.

JUNIOR MAECENAS

GUEST NIGHT PLANNED

The Junior Maecenas Society held its January business meeting and social evening at the Rose Bowl restaurant, Tuesday evening, with Mrs. Jean Kelahan, president, in charge of the business portion of the evening.

Plans for a "guest night" were discussed at length, with March 20 selected as the date for the annual event, scheduled to be held at the Rose Bowl. Mrs. Betty Brichaus was asked to supervise arrangements for the evening which, as in previous years, is expected to be well attended.

Members agreed to assist in the Easter Seals campaign at their next regular meeting by stuffing envelopes soliciting donations. Mrs. Kelahan appointed Mrs. Shirley Thompson to the newly-created office of press book chairman, with duties to start later this year.

The remainder of the evening was spent socially, with prizes were Mrs. Dorothy Brewster, Mrs. Cy Corbin, Mrs. Jean Knox, Mrs. Catherine DeWitt, Mrs. June Drew, Mrs. Mary Brackett, Mrs. Nadine Brumleve and Mrs. Dora Dean Manuel. The society was invited to meet next at the home of Mrs. Helen T. Smith, 2673 Waterman avenue, Tuesday evening.

UNDERGOES SURGERY

Mrs. Margie Harris, 2431 Washington avenue, is a patient at Barnes Hospital, St. Louis, where she underwent surgery for a fractured hip Monday following a fall at her home the previous evening.

Mrs. Harris, whose condition is reported as good, is expected to remain in the hospital for at least two weeks.

PROHARDT PTA PLANS CIVIL DEFENSE PROGRAM

Plans for the Jan. 16 program of the Prohardt school PTA's Civil Defense Program. Teacher Association were outlined Tuesday evening by Ralph Prohardt, program chairman, to members of the PTA executive board. Homer Johnson, president, was in charge of the monthly planning session held at the school.

Reader announced that a civil defense program, coordinated by the unit by Mrs. Valerie Evenden, Deputy Director of Home and Administration with the local civil defense organization.

Mrs. Evenden will show a color film, "Radiological Defense," dealing with the fundamentals of nuclear fallout protection for the average family, and will discuss simple advance preparation which can be accomplished by most homeowners.

Mrs. Ann Alker reported that tickets have been received for the annual recognition dinner, to be held at the school of PTA's, scheduled at the senior high school cafeteria March 1. Mrs. Frances Nelson, program chairman, and Mrs. Whitaker and Mrs. Mangum, who were accepted as new members of the organization.

Closing meditations were led by Mrs. Betty Flinn. Members were reminded of a study program on "Deeper Beliefs of the Presbyterian Religion," scheduled for the next regular meeting Feb. 12.

PARTNERS TO SPEAK AT

MARYVILLE SCHOOL, PTA

Mrs. John Macdonald, president, conducted an executive board meeting of the Maryville school PTA Tuesday evening, when members met at the school for a planning session.

Topics of discussion included the program for the regular meeting next Tuesday at 7:30 p.m. in the school auditorium, when Donald Partney will show a film on urban development and discuss aspects of urban growth. It was agreed that election of PTA officers should be advanced to March to enable new executives to attend the annual state convention, which was scheduled for April.

FOLLOWING DISCUSSIONS OF

FUTURE PROJECTS, THE MEETING WAS ADJOURNED.

Those present included Mrs. Robert Stone, Mrs. Donald Adams, Owen Humphrey, Dwight Taylor, Mrs. George Knapp and Mrs. Glenn La.

WEBER DED ELECTED

The Webelos den of Cub Pack 91 held its first meeting of the new year Monday evening, with most of the time spent discussing future plans and electing new officers.

Those named as patrol leaders were Bob Wilmzig and Stephen Pittman, with Roger Wilmzig as treasurer. Bill Schermer scribe and Explorer Scout Dennis Durbin as den chief.

The meeting was conducted under the supervision of the leaders, Omar Ronk and Roy Wilmzig. Other Webelos present were Gary Schmitz, Jerry Ronk, Bob Causey and Donald Durbin. Pack 91 is sponsored by the Nameoki Presbyterian Church.

CANCEL BOARD SESSION

Due to severe weather conditions, the executive board of the Nameoki school Parent-Teacher Association canceled its monthly planning meeting Tuesday evening. However, Donald Kopp, president, announced that plans for the regular session next Tuesday are complete.

Included will be an informational program entitled, "Know Your Special Service Departments," which is to be presented at 7:30 p.m. in the school auditorium.

COFFEE CLUB MEETS

The Lynn Avenue Coffee club was entertained for a weekly party Wednesday morning in the home of Mrs. Betty Atkinson, 1903 Lynn avenue.

Brunch was served by Mrs. Frances Knobloch, Mrs. Abbie Bartling, Mrs. Pat Gerkin and Mrs. Lydia Nobis. The ladies will meet next with Mrs. Gerkin at her home, 1911 Lynn avenue.

Will Appear On

Television Program

E. Marshall Schroeder Jr., a son of Mr. and Mrs. Schroeder of Johnson road and a junior student at the Alton branch of Southern Illinois University, will take part Saturday at 1 p.m. on the "Youth Speaks Out" television program on Channel 5, KSJD.

A graduate of the Granite City high school, Schroeder is majoring in education.

M. M. Wittbrun, director of vocational and adult education, said registration so far totaled 150, about half of the usual total. Evening driver training is still open; usually, this group has been filled in the first or second week of enrollment.

Registration For GC Night School

This week's cold weather has reduced enrollment for the winter term of night school at Granite City high school, and all classes except bell-arc welding are still in new registration. The term will begin next Monday, Jan. 15.

M. M. Wittbrun, director of vocational and adult education, said registration so far totaled 150, about half of the usual total. Evening driver training is still open; usually, this group has been filled in the first or second week of enrollment.

BRIDAL SHOWER HONORS MISS BOSWORTH

Miss Sandra Bosworth was complimented with a bridal shower given Sunday afternoon in the service rooms of the First Presbyterian Church of Madison. She is to be the bride of Vernon Humphrey of St. Louis, Jan. 21 at the First Presbyterian Church in Madison.

Arrangements for the shower were made by members of the family, who also decorated the room for the occasion. Pale green and white colors were used throughout. Favors of miniature ring boxes were at each place setting.

A large mock bridal cake adorned the table at the centerpiece. A buffet luncheon was served immediately after a game period. Prize winners for the afternoon were Mrs. Jackie Bone, Mrs. Estelle Heifer, Mrs. John Pumphrey, Mrs. Annie Laura Platt, Mrs. Pat Shable, Mrs. Judy Donaldson, Mrs. Margaret Hill and Mrs. Dannie Wilk.

Other guests taking part were Mesdames Clava Mae Howard, Shirley Rapoff, Jeanice Rice, Ruth Nicholas, Veronica Pleunice, Jeanine Bosworth, Gertrude Ashford, Charlene Burns, Nellie Hill, Margaret Hill, Billie Bosworth, Sally Bosworth, DeLoyle Rhoads, Sarah Bosworth, Delores Bosworth and Mattie Bosworth and Misses Donna Rhoads, Theresa Rhoads and Veronica Bosworth.

A corsage of lilac mums was presented to the honoree by the hostesses, Mrs. DeLoyle Rhoads, who is to be the mother of the bride, for Miss Bosworth, assisted in opening the packages and passing gifts to the guests and relatives to view.

The Tadpole Squares will have a bake sale Saturday at the Belvedere Tri-City grocery, with proceeds to be used for purchase of a building. A show is to be given by the group Feb. 23 at Madison Junior high school for the same purpose.

Methodist Men

HEAR STERNBERG

The January meeting of the Methodist Men's club of Trinity Methodist Church was held Tuesday at the church with the president, Gene Lichter, in charge of the business session.

Guest speaker was Gene H. Sternberg, a local contractor. He spoke on Lincoln and the responsibility that has been handed down from generation to generation.

He added that parents and senior citizens must be prepared to pass this heritage on to the children of today. Other members taking part were Jimmy Dillard, Bill Metcalfe, John Boyer, Bill Harris, Lewis Eckles, Glen Hodge, Clem Whitaker, Gil Robert and Bud Willis.

PLAN MARSHALL

PTA MEETING MONDAY

The executive board of the Marshall school Parent-Teacher Association met Monday at the school with president, Elmer Stille, in charge. Plans were completed for the regular meeting to be held at 7:30 p.m. Monday in the school gymnasium.

The program will be presented by a representative of the physical education department of the Granite City school system.

Plans were made to appoint a committee to select a candidate for recognition at the annual Area Council PTA dinner to be held in March.

Taking part were Stille, Principal Mary Hopkins, Mrs. Leslie Dorch, Mrs. Kathleen Tadlock, Mrs. Lois Mullen, Gene Doyle and George Mullen.

Brownie Troop 182

of the Niederklaus school PTA met

Tuesday with the leaders, Mrs. Dorothy Hoffman and Mrs. Marilyn Bartels. A paper project was completed by Sheila Adams, Joan Bartels, Lynette Bailey, Suzanne Cochran, Harvey Champion, Christy Fox, Beth Gantt, Diana Hoffman, Jayne Matry, Tony Robertson, Carol Robinson, Melodie Sabo, Mary Shipper and Laura Smith.

A discussion was held on the project of making sit-ups at the next meeting.

Den One of Pack 122

of the Wilson school PTA met

Monday in the home of Mrs. Beverly Singleton, 2812 Edgewood avenue. The meeting opened with the pledge of allegiance to the flag followed by a project of making record holders.

The cub scout promise closed the meeting and Mrs. Singleton served refreshments to Michael Ahrens, Steve Harris, Len Weaver, Keith Rodgers, Billy Duckworth and Den Chief Phillip Melon.

Den Two of Cub Pack 122

of the Wilson school PTA met

Monday in the home of Mrs. Juanita Smith, 2829 Edgewood avenue, with Mrs. Jane Weaver assisting.

Mrs. Weaver read a story on knights to open the meeting, and book markers were made from old Christmas cards. A beanbag game was enjoyed and refreshments were served by Terry Howard, Bruce Cato, Mark Beasley, Tommy Smith and Den Chief Ricky Smith.

IT PAYS TO ADVERTISE

PLAN DELRAY REBEKAH LODGE INSTALLATION

Plans for an annual installation of officers Jan. 23 at the Madison Odd Fellows hall were made Tuesday evening at a meeting of 18 members of Delray Rebekah Lodge 786, held at the hall, Mrs. Verma Willman, noble grand, presided.

Practice for the installation was scheduled for 4 p.m. Sunday, Jan. 14, at the IOOF building.

MADISON GRADE SCHOOL BAND PARTY PLANNED

The annual party for boys and girls of the grade school band will be held at 7:30 p.m. Monday at the Madison junior high school, sponsored by the Grade School Band Parents club. The parents are invited to attend.

Prior to the party, the band will play a number of selections under the direction of William Leubert, Madison school band director.

CLASS PLANS SUPPER

A monthly meeting of the Miraph Bible class of the First Presbyterian Church was held Monday evening in the service rooms of the church. The vice president, Mrs. Rae Miller, presided and the devotional was read by Kathryn Howard.

Others present were Mrs. Howard Lucas, Mrs. Merle Gnoth, Mrs. Mattie Bosworth, Mrs. Annie Laura Platt, Mrs. Hartscock and Mrs. Louise Lewis. The hostesses, Mrs. Lewis and Mrs. Hartscock, served refreshments to the members and two guests, Sam Platt and Rev. Howard Lucas.

The next meeting will be held Feb. 13. A previously-planned white elephant auction was held due to the cold weather's effect on attendance.

Labor Problems To Be Discussed Here Jan. 27

A one-day labor problems conference will be held here Jan. 27, sponsored by the Tri-City Trades and Labor Council in cooperation with the University of Illinois Institute of Labor and Industrial Relations and Division of University Extension.

Titled "Current Issues of Importance to Labor," the session is scheduled for the Labor Temple at 2014 State street, and is to open with registration at 9:30 a.m. and conclude at 4:30 p.m.

Among conference participants will be Stanley L. Johnson, executive vice-president, Illinois State AFL-CIO, who will speak on the legislative program of the state organization, and professors Glenn W. Fisher and Jack Mann from the U. of I.

Howard Westbrook, 72, Dies; 43-Year Resident

Howard Westbrook, a 43-year Granite City resident, died at St. Elizabeth Hospital at 1:30 p.m. Tuesday at the age of 72. He resided at 1947 Cleveland blvd.

Mr. Westbrook had been under a doctor's care for the past several months, and had been hospitalized three weeks at the time of his death.

He was retired six years, having been employed as a welder at the American Steel Foundries for 37 years. He had also been custodian of the Knights of Pythias Lodge for the past 11 years.

Mr. Westbrook, who was born at Maroa, was a member of the Knights of Pythias and belonged to the Eagles Aerie 1126.

Survivors are his wife, Dorothy, and a sister, Mrs. Beesie Burns of Chicago.

Services were conducted at 1 p.m. today at a Granite City funeral home, with burial in St. John's Cemetery. An obituary appears elsewhere in this issue.

Granite City PRESS-RECORD

Collide On Viaduct

The right front fender and the hood and grille of the auto of Thomas Williams, St. Louis, were damaged in a collision with the rear of the car of John W. Barr, St. Louis, on the Broadway viaduct near the State street cut-off at 4:30 p.m. Monday. Both were westbound on Broadway, and Barr had halted behind a bus.

So much car for so little money deserves a medal...
(and that's just what it got!)

CHEVY WINS AWARD FOR ENGINEERING EXCELLENCE!!!

This is the Nova 100 Sport Coupe, just one of 11 Chevy II models you can pick from.

The men who know cars best put Chevy II to the test. And, after they had compared it with the rest of the '62 crop, the editors of *Car Life* magazine picked Chevy II for their coveted Engineering Excellence Award. Why? Here are some of the reasons in the editors' own words: "The Chevy II, in either 4- or 6-cylinder form, represents an important development in the American automotive field. The car is maximum transportation at

minimum cost..." And throughout the editors' reports on the engineering and road testing you'll find accolades like "easy maintenance," "...long wearing ruggedness," "...simple elegance," "...reasonable size," "...delightful car to drive." Get the full story in the February issue of *Car Life*. Better yet, see your Chevrolet dealer. See for yourself why luxury and low price have never been more beautifully blended!

See the new Chevy II at your local authorized Chevrolet dealer's

LISTENING ATTENTIVELY to discussion leader John McBride standing, are participants in the Tri-City Chamber of Commerce pilot course, "Freedom vs. Communism: The Economics of Survival." The course began this week in the YMCA club room, and will continue for seven more weeks Monday morning.

Illinois U. Offers Merchandising Course

A course in merchandising will be offered by the University of Illinois Division of University Extension at the East St. Louis high school next Tuesday, Jan. 16, at 7 p.m. The class will meet once each week for two hours over a period of eight weeks.

The course will cover factors relating to successful merchandising, the history of merchandising, policies and practices in modern usage, market research and analysis, and proper forecasting of economic trends.

Also stressed are methods of marketing through the present available facilities, the use of modern packaging and advertising, and the promotional plans now in wide use by some of the more progressive companies.

The tuition fee is \$12 per person. Anyone interested in enrolling in the class may attend the first meeting in Room 129, or contact Fred W. Steuernagel, Field Representative, 212 Goldman Building, East St. Louis.

Finger Injury

David Lynch, 12, of 2520 Edison avenue, received emergency care at St. Elizabeth Hospital Monday evening for a laceration to the fourth finger of his left hand. He had cut himself with a knife and was released.

NEED GUTTER REPAIRS? CALL DOUGLAS, TR. 6-2958

National Honor Society Inducts 26 New Members

The semi-annual initiation ceremony of the Granite City chapter, National Honor Society, took place Monday evening in the high school auditorium. Twenty-six new members were inducted.

The program included a welcome by Richard Kerch, chapter president; the GCHS Alma Mater by the members; the ceremony, conducted by Janet Mc Lester, James Ash, Nancy Dunsmuir, Teresa Griffith and Elaine Dineff; and an address by Principal Lawrence McCauley, who presented the new members.

Jean Hinson gave a reading from the play, "Medea," and a Walter Matthau presented a piano solo, Beethoven's "Moonlight Sonata."

New National Honor Society members, chosen on the basis of scholarship, character, leadership and service, are: Victoria Church, Samuel Hull, Sharon Pool, Melvin Barron, Sandra Finke, Jean Fyfe, Sammie Hoover, Carl Johnson, Leslie Kolesa, Janet Luckert, Robert Madrox, John Miller, David Mills, Gay Mueller, Lawrence North, Andrea Reheik, Patricia Rozek, Donna Sherr, Martha Springer, Anita Schroeder, Richard Weiss, Patricia Whitcotton, Larry Whitsett, Carol Bradish, Reddy Mathenia and Carolyn McIver.

Current members, in addition to those taking part in the program, are Daniel Hull, Barbara Kelly, Eddy Marshman, Robert Potillo, Dorothy Toth, Janet Allen, Patricia Cerutti, Robert Cruse, Charlie Haug, Dimple Ingura, John Miller, David Mills, Karandjell, Phyllis Kawula, Guy Lahn, Elaine Lux, Ted Schaeffer, Judith Towse, Nancy Turpenoff, Marianne Wagner, Carl Waller and Ellen Winter.

Marriage License Issued
A marriage license has been issued by Deputy Clerk A. L. Stevens to Lee Campbell and Anna Lalumondire, both of St. Louis.

Francis Richardson, Bunch and Green were named to the 1962 budget committee, and George Klein, Durrett, and Smith were appointed to the new auditing committee.

Mattress Fire

Firemen extinguished a bed mattress fire in a second-floor apartment at 1800 Edison avenue Monday at 3:45 p.m. The home is owned by August Feraud and the apartment is occupied by Jerry Stevenson, who was not there when the fire broke out. Apparently the fire started from a cigarette, firemen said.

2100 Given Tuberculin Tests At GC Schools

Students totaling 2100 received tuberculin tests Tuesday in the Granite City district. The ninth through twelfth grades group included about 1250 at Granite City high school, 550 at Coolidge junior high school and 300 at Frasier junior high school.

The tests will be read Friday morning at the same schools, and reactors will receive chest x-rays next month at GCHS.

Physicians contributing their time for the annual program were Drs. Robert S. Hill, E. H. Theis, F. B. Dionea, Anthony Intirisi and Hector Zervailos at GCHS, Drs. Leslie R. Reed and Richard Walters at Coolidge and Drs. M. G. Bugot and Felicia Koch at Frasier.

School nurses, other local nurses and parents assisted the doctors. Sponsor was the Madison County Tuberculosis Sanatorium.

1304 NINETEENTH GRANITE CITY

SIU Finds Local CD Group To Be Adequate

(This is the 55th in a series of articles based on a reorganization study of city government in Granite City by Southern Illinois University.)

In its study of Granite City's Civil Defense organization, the team of SIU government experts points out that within the limits of available funds, and in comparison with other units in the state, the local group is doing an adequate job.

"A further review," the team attested, "would require a long and intensive examination of the Civil Defense policy now in existence under which local agencies operate. That there is some controversy about this, and that there is a vacillating national policy, is obvious. It would seem best not to raise these functions in the context of this report."

In outlining the organization of Civil Defense, the report states that the city's municipal code provides for the creation and establishment of the unit to prevent, minimize, repair and alleviate injury or damage resulting from disaster caused by hostile action, enemy attack, the explosion of bombs or missiles due to sabotage or other disloyal acts or disaster due to fire, flood, earthquakes or other natural causes, in accordance with the Illinois Civil Defense Act.

Medical Aid Programs

"The same article provides that

that the local Civil Defense organization shall perform such civil defense functions within the municipality as shall be prescribed by the governor, and such orders, rules and regulations as may be promulgated by the governor and in addition shall perform such duties outside the corporate limits as may be required pursuant to any mutual aid agreement with any other municipality or quasi-municipality entered into as provided by the Illinois Civil Defense Act.

The city's code also provides for the city council to make an appropriation for civil defense purposes and levy a tax not to exceed five cents per one hundred dollars of assessed value. The SIU report states that Granite City's Civil Defense received \$7504.34 in 1961, consisting of property taxes and federal matching funds in the amount of \$7685. "Expenses totaled \$7504 with major items of repairs of equipment \$2704; director's expenses, \$1284; and office help, \$1160."

The director of municipal Civil Defense is appointed by the mayor with the consent of the city council, and the director has the direct responsibility for the organization and administration, subject to the direction and control of the mayor.

Regular Staff Meetings
"The Granite City Civil Defense group meets monthly. It is a staff meeting and only the director, assistant director and deputy directors attend these

meetings. The advisors may attend by special invitation or upon their own request.

"The staff meeting hears reports from the deputy directors of each division with regard to their present and future needs as far as appropriations, training, equipment and other business matters."

"The local membership of the Civil Defense totals approximately 100 persons, with active members participating in the local police organization and in well-armed radio monitor and rescue work. Other active membership has been in connection with boat clubs, scout clubs and the new post, the citizen's band radio club. The Civil Defense does not have an auxiliary fire force."

"The director of the civil defense organization may negotiate mutual aid agreements with other municipal corporations or political subdivisions of the state, but no such agreement shall be effective until it has been approved by the city council and by the state director of civil defense. This has been largely implemented through the Tri-County Civil Defense Association, comprising Madison, St. Clair and Monroe counties."

"The Granite City Civil Defense has membership in the following organizations: Tri-County Civil Defense; Southern Illinois Civil Defense Association; Southwest Mutual Aid Agreements (19 counties); and Madison County Civil Defense."

24,714,762 Tons

1961 Locks Traffic Tops Previous 12-Month Totals

Tonnage, traffic and lockage figures at the Chain of Rocks Canal Locks 27 for 1961 exceeded 1960 totals according to a report received today from the district Corps of Engineers office in St. Louis.

Twelve-month totals for 1961 revealed 24,714,762 tons and 6,676 vessels requiring 8676 lockages at the local locking facilities as compared to the following 1960 totals — 22,942,101 tons, 55,048 vessels and 7885 lockages.

Last month marked the ninth straight month that the tonnage record has been set. A record high was seen in July when 2,418,845 tons was recorded. July set all the records with 408 vessels requiring 1003 lockages.

Vessel Breakdown
A breakdown of the different types of vessels, first for December and then for 1961, follows: (Under commercial boats) towboats — 705 for 1961; tugboats — 10 for 1961; passenger boats — none for four; barges — 2467 for 1961; and U. S. Contractor boats — none. Cement sand and gravel — up 5800, down 2400; sulphur — up 47,050, down

Heavy Pneumonia, 'Flu' Load At Hospital Here

Spot checks of records on outgoing patients at St. Elizabeth Hospital show that approximately a third of those treated there since Christmas have been suffering from influenza or pneumonia, a hospital spokesman said.

With the figure holding at a fairly constant 30-35% through last week, the outbreak appears to be subsiding somewhat this week but is still around 25%, according to Roy W. Thornton, assistant hospital administrator.

Thornton said last year in the time very few cases of either influenza or pneumonia were being cared for at the hospital. He said the present situation apparently reached a peak shortly after Christmas.

The number of children involved has been slightly below the figure for older patients, the spokesman said. Record checks in the pediatric division showed approximately 25% of the children treated during the period to have had either influenza or pneumonia.

none; miscellaneous commodities — up 249,900, down 57,300; iron & steel products — up 25,600, down 90,200; and chemicals — up 57,900, down 9150.

Joe Michels Sr., 74, Succumbs In New Jersey

Funeral services and burial were conducted today at Trenton, N. J., for Joe Michels sr., a former local resident and father of Joe Michels Jr., 2988 Iowa street, and John Michels, 1728 Fifth street, Madison.

Mr. Michels died at Trenton Monday at the age of 74. He moved there seven years ago from St. Louis, and previously lived in Granite City.

Survivors, in addition to his two sons, are his wife, Susan, and five grandchildren.

Knights of Pythias Installs Officers

The newly-installed officers of Cascade Temple 602, Knights of Pythias, are C. Paul Page, chancellor; H. B. Cassidy, vice commander; Henry G. Mueller, prelate; Gilbert Van Camp, master of work; Robert E. Hands, secretary; Paul S. Pender sr., financial secretary; William H. Vaughn, treasurer; Wesley Dudley, master-at-arms; Clifford H. Puckett, inner guard; Robert Guenther, outer guard.

Joseph Zimmer served as installing officer at the recent ceremony which was held at the KP Hall.

Sandra Marie Vasiloff Is Christened
Sandra Marie Vasiloff, infant daughter of Dr. and Mrs. John R. Vasiloff, 2006 Blvd., was christened this week at St. Joseph Catholic church by Rev. John Bohm. Godparents were Mrs. Betty Gac and Joseph Kasproch, cousins of Dr. Vasiloff. The baby was born Dec. 21 at St. Elizabeth Hospital. Her weight was seven pounds, nine ounces. The grandparents are Mr. and Mrs. Buren K. Smith of Costa Mesa, Calif., and Mr. and Mrs. Tony Vasiloff of Edwardsville.

Following the christening ceremony a buffet luncheon was served at the Vasiloff home to the sponsors and the families.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record.

Jan. 14, 1937

Covered by an almost solid sheet of ice from the recent heavy sleet, the beautiful rolling golf course at the Madison County Country Club became a center for winter sports this week, rivaling in attraction the milder golf season.

While the ice-covered golf course was suitable for sliding, the club members have confined their activities mainly to sleigh riding. The sport at night, although enthusiastically agreed, is unsurpassed by anything they have ever done.

G. W. Hoelscher, secretary of the East Side Manufacturers' Association, was re-elected president of the YMCA board of directors at the annual meeting held Monday night. This is his second term.

A class of 85 Community high school seniors will attend baccalaureate services which will be held Sunday, Jan. 17, at 10 a. m. in the high school auditorium.

Three ministers will officiate. They are Rev. J. H. Gabe, pastor of the First Christian Church, who will deliver the principal address; Rev. Ralph Lynn, pastor of the First Presbyterian Church; and Dr. Lennell Hall, pastor of the First Baptist Church.

Within a few days, two modern continuous strip mills will be put in production operation at the local plant of the Granite City Steel Co., according to a statement issued yesterday afternoon by Hayward Niedringhaus, president of the company.

The mills, while not of the largest type and will make possible for the company to fill many orders for sheets and plates it had not heretofore been equipped to produce. They were erected at a cost of approximately five-and-one-half million dollars.

Illness caused by the weather seriously depleted the grade at the high school facilities this week but classes went on uninterrupted. Ten teachers were out of school at one time in the two educational systems.

The formal opening of the new colonial tap room and lounge at the Elks club is being held today. It started with a luncheon at noon, prepared by Harry Odum and Hans Hoffman, and will continue through the afternoon and evening.

Friends of Mrs. May were delightedly entertained in his home in Venice recently.

Enjoying a social evening with the Madam Dr. Joyce Gabe, Addie Lynn, John Labonaki, Deloris Layman, Bill King, Mildred Watson, Lois Credition, Geraldine Holt, Henry Creighton, Beryl Smith, Roy Dolins, Lester Harris, Mr. and Mrs. Harry Wampler, and the young people.

The Lindy club was entertained Tuesday afternoon in the home of Mrs. E. H. Schildman on Madison avenue.

Mrs. Peter King, Mrs. A. H. Allison, Mrs. Charles Blum, Mrs. William Scherrer, Mrs. L. P. Merz, Mrs. Lieferrig and Mrs. Philip Morrison were the members attending and the club favors were won by Mrs. Morrison. Mrs. Lieferrig and Mrs. King.

The Past Masters' Club of the Granite Chapter, O.E.S., met Tuesday evening with Mrs. Delbert Slick of Lincoln avenue and elected the following officers for the new year, Mrs. Carrie Curtwright, president; Mrs. Helen Freesen, vice-president; and Mrs. Viola Lindsey, secretary and treasurer.

After terminating the business discussion, tables were turned for cards and the following took part in the games: Mrs. Irene Meyer and Mrs. Golda Matkott. The latter received the guest prize, and that way both parties were made to Mesdames Reimers, McConynolds and Neunreiter.

Two grade schools in Madison will graduate 33 pupils in the mid-year exercises next week. The Harris school will graduate 26, and the Blair school to seven, all of them boys.

There will be a candlelight installation of officers of the Christian Endeavor at the Central Christian Church during the usual evening worship service at 7:30 o'clock Sunday.

The officers to be installed are Miss Albert Gilbert, president; Miss Maie Meadows, vice-president; Miss Evelyn Francis, secretary; Luke Owens, reader. Mrs. Luke Owens will be installed as marshal.

The installation will mark the beginning of the 50th year of service by the Christian Endeavor.

Mrs. Grace Enos was installed as president of the Junior Service League at a dinner meeting held at the Mayfair Hotel in St. Louis last Monday night. She succeeds Miss Helen Morgan.

Other new officers installed

GOLDEN WEDDING. Mr. and Mrs. Marshall Roland, who will observe their 50th wedding anniversary by holding open house at the YMCA Sunday afternoon, Jan. 14.

LEAVE FOR VACATION

Rev. and Mrs. Calvin Marcum and their family, of the Namocki Presbyterian Church, left Wednesday for a vacation in the south. They will spend some time in Florida and while away will visit Mr. and Mrs. Charles Trimmer in Mobile, Ala. Mr. Trimmer is city commissioner of Mobile. The Marcums expect to return Jan. 27.

GAS HEAT HEADQUARTERS. TRI-CITY HEATING, GL. 2-2110.

50th Anniversary Celebration For Marshall Rolands

Mr. and Mrs. Marshall N. Roland of Staunton, former residents of the Quad-Cities, will observe their fiftieth wedding anniversary by holding open house for relatives and friends from two until five o'clock Sunday, Jan. 14, at the YMCA. The couple was married January 9, 1912, in Batesville, Ark., and resided in North Venice for 40 years until moving to Staunton three years ago. Before retiring in 1933 Mr. Roland was employed by General Steel Industries. He is 74 and his wife is 70. They have four daughters, Mrs. Pauline Bectol of St. Louis, Mrs. Georgia Trebing, Mrs. Rachel Alvey and Mrs. Bonnie Hunter, all of this city, 11 grandchildren, and 14 great-grandchildren. One son, Marshall N. Roland Jr., is deceased.

FAC Meets With Mrs. Wright

The January meeting of the FAC class of St. Peter United Church of Christ was held Monday evening in the home of Mrs. Irene Wright, 2240 Benton street. Mrs. Freda Bennington, president, conducted the meeting and the latter part of the evening was spent at bridge with honors going to Mrs. Thelma Markgraf, Mrs. Bennington, Miss Alice Bohnenstiel, Mrs. Gladys Kadar and Mrs. Esther Zimmer. Others present to whom refreshments were served were Mrs. Marie Whittle and Mrs. Florence Hadaler. The next meeting will be with Mrs. Whittle at 2052a Edison avenue.

Legion Auxiliary, Unit 113, Meets

A scheduled meeting of the American Legion Auxiliary, Unit 113, was held Tuesday evening with Mrs. Lucille Cooper, president in charge. Twenty members were present and after the short business session there were games for entertainment and awards were made to Mrs. Minnie Grob, Mrs. Ada Dishong, Mrs. Cooper, Mrs. Dolie Brewer, Mrs. Esther Harris, Mrs. Edna Branscomb, Mrs. Rose Metro, Mrs. Ella McKittick, Mrs. Carmen Toth, Mrs. Loretta Geller and Mrs. Georgia Kramer. Refreshments were served by the hostesses, Mrs. Grob and Mrs. Metro.

Last Year

5175 Cases Handled By Probate, County Courts

Madison county's probate and county courts handled 3468 and 1707 cases, respectively, in 1961. Probate cases included orders or probate matters of persons who are deceased, insane, under age and incompetent. County court matters included adoptions, complaints, inheritance tax cases, criminal cases, mental cases, dependent children and delinquent children petitions.

August, generally accepted as the vacation month, had the lightest load of probate cases with 141. September and October were the busiest months of the year with 367 and 355 orders, respectively.

Totals for the other nine months were: January, 293; February, 287; March, 292; April, 234; May, 237; June, 208; July, 298; November, 305; and December, 251.

First Mondays Busiest

The average number of probate orders per day was slightly under 20, but the busiest day of the month is usually the first Monday—when proof is made of the publication of claim dates. The three busiest days of the year were Aug. 7 with 67 orders and Sept. 5 and Jan. 2 with 55 each.

According to a report compiled by County Clerk Miss Eulalia Hotz, who is also the clerk of the county court, there were 530 civil cases, 102 adoptions, 161 inheritance tax cases, 228 criminal cases, 547 mental cases, 70 dependent children petitions and 69 delinquent children petitions filed in the 1961 County Court.

The 102 adoption cases filed last year represented a drop of 29 cases over those recorded in 1960. However 1961's 530 civil cases and 161 inheritance tax cases were 96 and 14 case increases, respectively, over the previous year. The adoption cases involved 60 boys and 56 girls.

County Docket Breakdown
Civil cases filed in 1961 included 149 paternity complaints, 148 petitions for tax delinquency, 119 petitions for support, 80 appeals, 13 complaints, 7 petitions for return of personal property, 6 condemnations, 4 bond forfeitures and one each of the following petitions: to incorporate, to create a hospital, for damages and to organize a park district.

A breakdown of the 228 criminal cases filed last year revealed 112 neglect and refusal to support cases, 24 operating a motor vehicle while license is revoked, 23 vagrancy cases, 21 appeals, 9 making a check with intent to defraud, 8 violations of the motor vehicle act (an over-haul), 7 violations of the unemployment compensation act, 7 petty larceny cases, 4 cases of contributing to the delinquency of a minor, 3 cases of false pretenses, 2 cases of operating a trailer park without a license, and one each of the following: violation of the public assistance code, violation of the migratory game bird act, violation of the Madison county building code, violation of the trailer park act, driving while intoxicated, damaging a public jail, a petition for a writ of certiorari, and used and lascivious conduct.

There were 216 criminal cases filed in 1960.

Emergency Patients
Of the 547 mental cases filed last year, 320 were out-of-county hearings granted through the courtesy of County Judge Michael Kinney. Thus there were 227 local cases filed. All other cases involved emergency patients from nearby counties who were sent to the Alton State Hospital. There were 461 mental cases filed in Madison county in 1960.

A breakdown of the out-of-county cases, made by Miss Hotz, shows 223 transferred from St. Clair County, 33 from Macoupin County, 21 from Jefferson County and from one to nine cases transferred to the county court here from 15 other Illinois counties.

Of the 547 cases filed last year, 363 were committed mentally ill, 109 were found without psychosis, 30 died prior to court hearings, 26 petitions were dismissed, 13 were committed mentally deficient, 10 cases are pending, 4 were committed for need of mental treatment and 2 were discharged.

Seventy dependent children petitions were filed last year involving 73 girls and 80 boys. There were 86 petitions filed in 1960 involving 85 boys and 99 girls.

Delinquent children petitions filed last year totaled 69 and involved 45 boys and 28 girls. This was a decrease over the 1960 figures when 74 petitions, involving 62 boys and 15 girls, were filed.

Bag House Fire
Granite City firemen from the main station battled a fire from 12:10 to 3:30 a.m. Tuesday at the National Lead Co. Hoyt plant, 16th street and Cleveland Blvd. Firemen reported that the company's four-story brick bag house caught fire. Amount of the damage is unknown.

NORGE LAUNDRY and CLEANING VILLAGE
1601 Madison Ave. Granite City, Ill.

NOW YOU CAN SAVE UP TO 75% ON YOUR DRYCLEANING COSTS!

You've read about it in magazines — you've heard about it on TV and radio. Now it's here! Automatic self-service drycleaning — in wonderful new machines that operate easier than an automatic washer!

- ★ Save as much as 75% on your drycleaning costs.
- ★ Dryclean as much as 8 pounds per load.
- ★ A whole load takes only 50 minutes.
- ★ Easier to use than an automatic washer.
- ★ Do all your drycleaning and laundry in one quick stop.

**READY TO WEAR
IN 50 MINUTES!**

It takes only 50 minutes for a load to be drycleaned... and ready to wear! You can dryclean the coat or jacket you have on, and then wear it home.

Dryclean all this for only

The actual number of things you can dryclean in one load depends on the size, weight, and bulk of the items. Here are some sample loads to show you how economically you can now do your drycleaning...

\$1.50

- 10 slipover sweaters
or
- 4 medium-weight men's suits
or
- 1 full-size bedspread
or
- 9 dresses

Regular drycleaning methods would cost you about 4 times more!

Bring in all your WASHING TOO!

While you do your drycleaning, you can do a week's laundry at the same time! The newest Norge Automatic Washers and Dryers give you a beautifully white, bright wash of every washable... and fast, gentle drying of every fabric. And it's all so economical!

Use our brand-new

© B-W, 1961

This is my 25th year in the dry cleaning business. My wife, Frances, has worked with me since 1943. We both agree that in all our combined years of serving the public, as professional dry cleaners, (Cleaners and Dyers Local 161) we have never seen as much customer satisfaction as we have experienced in the last 8 months. Our customers love the quality work of coin-operated dry cleaning.

It is a real pleasure to open our new store at 1601 Madison Avenue. Stop by and see me at this address. Fran is always glad to greet you at our first store at 3330 Nameoki Road.

You have our pledge for 1962 that the same courtesy and helpfulness that has been our policy in 1961 will be continued.

Sincerely,
VERLIN WADLOW

Card of Thanks 32
The family of BERT MOERLT, sincerely thanks the wonderful neighbors and friends for acts of love and sympathy during his illness and death. Special thanks to Ruth Rose, Federal Oil Co. Rep., Showers, pallbearers, Levey's, and singers. 32-111

In Memoriam 33
In memory of ROBERT MANOCHIAN who passed away on Jan. 10, 1962. The flowers we place upon your grave. May neither and decay. But love for you who sleeps beneath. Will never fade away. 33-111

In loving memory of MARY LOUISE DETTWILER, Jan. 12, 1909:
In our home she is fondly remembered. Sweet memories cling to her name. Those who loved her in life sincerely. Still love her in death just the same. 33-111

MOTHER, FATHER AND BROTHERS
In memory of H. B. WATTS, passed away Jan. 10, 1962. Sadly missed by WIFE AND CHILDREN 33-111

In memory of my husband HAROLD LAND who died Jan. 11, 1959:
Three years have passed since that sad day. The one we loved so dear was called away. This home, so empty and lonely since God called him. We hope and pray to meet him. In a better world someday. 33-111

Farm Column

By TRUMAN W. MAY
Madison County Farm Adviser

Corn is being stored on Madison county farms this winter in the largest amount ever. The chief reason is the record-breaking crop, a few acres of which remain unharvested because of so much rain and snow. Another reason is that many farmers are storing corn under CCC loans to get the support price. Some are being stored in anticipation of a higher price before spring or fed to livestock.

But a lot of the corn is increasing in moisture content because of the high humidity during most of the time since it was harvested. Some of it had too much moisture when it was cribbed. Another factor is the moisture amount of shelled corn with the use of picker-shellers; shelled corn does not dry as rapidly as ear corn.

An example of how corn in the crib can increase in moisture is reported by John Buehle of the A and B Feed and Seed Store of Edwardsville, who says a farmer whose corn tested 10% moisture when cribbed just had it tested again and found the test is now 22% under normal conditions the moisture content would go down 3 or 4% from November to February. Another cause of reported increase in moisture is that the farmer has 2000 bushels of shelled corn had many kernels sprouting.

When farmers with stored corn should watch it closely and have samples tested occasionally if moisture is a problem. In some cases it may be wise to move it to market. If drying equipment is available, it might be used to bring moisture content down to livestock now, with any dryer corn saved for feeding later. Whatever your situation, remember to check the condition of your corn frequently.

The only limitations on the amount of silage fed to a dairy cow are her capacity and her acceptance of the silage. However, certain adjustments may be needed in the grain ration for cattle getting all of the silage they will eat. For example, a heavy corn silage ration will call for more protein in the grain than a ration that includes plenty of good-quality hay.

Also, if the silage has a high content, it's best to boost the dry matter intake of the animal. This can be done by limiting silage and feeding more hay or grain.

The new machinery building on the farm of John Milton in Hamlet township that we mentioned when it was under construction has now been finished. The skilled crew that erected it worked a total of only 187 man hours.

The building is 78 ft. long and 40 ft. wide, giving an area of 3120 sq. ft. Total cost was \$3536, or about \$113 per square foot, wide door at each end makes it easy to move large machinery in and out. Space for a shop is provided at one end.

Plans for machinery buildings and various other structures for livestock, grain storage, etc., are available at the farm adviser's office.

Desire to get as much land as possible into cultivation can cause destructive erosion when rolling land is plowed. Recent years have seen several examples of plowing the tops and sides of hills in rough timber land to try to grow cultivated crops when proper land use calls for seeding such areas to grass, fertilizing and good management.

Good pasture that is more valuable than the crops such land will grow and also prevents erosion. Heavily-wooded land is a good source of course be managed for timber production and not pasture.

Fall and winter are the season of heavy fire losses in dwellings. And, according to O. L. Hoggatt, University of Illinois safety specialist, eliminating four of the most common fire hazards would cut losses in half. These hazards include unsafe stove and furnace installations, inadequate protection from lightning, combustible roofs and unsafe wiring.

Invited to a meeting at the Farm Bureau building the afternoon of Feb. 1 at 1 p.m. to hear Paul H. J. Reiss of the University of Illinois discuss farm leasing arrangements. People wanting any special assistance in drawing up leases, father and son business plans, etc. may schedule individual conferences with Prof. Reiss that morning. Notify the farm adviser's office if you want to take advantage of this special service.

Soybean prices will remain on the low side for the next few months of 1962. A. H. Hoggatt, economist, says that farmers are holding their beans tightly and will put enough into the support price effort.

Swine producers can expect generally favorable corn-hog ratio for most of 1962. As a result, hog producers will have to let more hogs during the winter.

Drainage of surface water is a problem on many farms in the American Bottoms area in southern Madison county. This problem has been quite effectively handled on the Wm. and Young farm in Chouteau and Edwardsville townships operated by Clyde and Gordon Gass. A promoter type dewatering pump moves the run-off water after a one-inch rain on the 750-acre farm in 24 hours. The water is collected through a system of surface ditches in a 50x50 ft. collection basin.

The pump is driven by a four-cylinder, 30 horsepower gasoline engine, pumping a 24-inch stream of water. The pump has operated 12 years without repairs. The engine has been completely overhauled twice since it was put in operation in 1949.

Net farm income, which rose about 8% in 1961, won't change much in 1962, agricultural economists believe. The increase in 1961 came largely through bigger government payments to farmers, especially under the feed grain program. Government payments in 1962 will be about the same as those in 1961.

All Madison county dairymen are invited to attend a tour to the Southern Illinois Breeding Association offices and barns at Breesee the evening of Thursday, Jan. 18, at 7:30 p.m. This is a good chance to see the barn and the office and laboratory procedures. Why not get up a carload of neighbors and go?

TAX FACTS
By Maurice W. Scott, Executive Secretary, Taxpayers' Federation of Illinois

Do you work for the federal, state or local government? No matter how small the agency, your answer is "Yes," according to Maurice W. Scott, Executive Secretary of the Taxpayers' Federation of Illinois.

The average American with a job works 1 hour and 30 minutes out of an 8-hour day to pay his federal taxes alone. Those with substantial income pay even more in higher brackets, work far more than that to meet their federal tax bill.

Add state and local taxes, and the average American spends an estimated 2 hours and 17 minutes out of his 8-hour day just to meet his tax bills.

Taxes are rising more rapidly at the levels of state and local government than at the federal level. The federal tax load rose 123% from 1945 to 1960; the state and local tax load increased 294% during the same period.

FINAL PLANS MADE FOR BENEFIT DANCE

Dr. John E. Lee was in charge of a meeting of the Venice Crippled Children's Organization held Tuesday evening at the city hall. Final plans were discussed for the annual dance to be held Saturday, Jan. 27, at the American Legion Home. A "road block" will be held on the afternoon of Jan. 27.

There will be no more meetings of the organization before the dance, but chairmen of the various committees will be contacted to discuss their progress. A date will be announced later for a benefit basketball game pitting bridge employees and city officials against Venice public men and firemen.

Those attending were Bernard Anderson, Mike Evans, Lou Anderson, Barbara Hileman, Donald Phillips, Fred Rumpf, Walter Simmons, Ann Harden, Marlene Miller, Georgiann Marshall and Dan McGee.

HOLY NAME SOCIETY INSTALLS OFFICERS
Installation of new officers of the Holy Name Society of St. Anthony's Church, Mrs. O. C. Anderson, Barbara Hileman, Donald Phillips, Fred Rumpf, Walter Simmons, Ann Harden, Marlene Miller, Georgiann Marshall and Dan McGee.

The meeting was opened by the retiring president, Al Pace. Officers installed were: President, Ben Mangiaracini; vice-president, Lorraine Daniels; secretary, Bob Douglas; and treasurer, Harlan Hooks.

Plans were discussed for a corned beef and cabbage dinner on March 11. A social evening was enjoyed.

LEPINE CLUB LUNCHEON
Mrs. Mabel McGee was hostess to the Lepine club Monday evening in her home, 814 Third street. The evening was spent at games, and prizes were awarded to Mrs. Naomi Boelling, Mrs. Myrtle Fields and Mrs. Hazel Painter.

The hostess served a two-course luncheon to the above guests. Mrs. O. C. Anderson, Mrs. Kathryn Fellers and Miss Catherine McGee.

Intermediate Girl Scout Troop 161 met Monday afternoon at St. Mark's school with the leaders, Mrs. Margaret Lee and Margaret Reidelberger. The meeting was opened with the Girl Scout promise, and it was announced that the troop number is officially 161 of the River Bluff Area Council.

Plans were made for the initiation of new scouts at the next meeting. Girls attending were: Jean Daniels, Kathy Daniels, Mary Ann Fields, Bernice Koelker, Mary Frances Lee, Linda Maurer, Diane Mang, Sharon Maurer, Mary Catherine Miller, Julia Mulkin, Barbara and Mary Alice Mulkin, Kathy Pace, Sharon Parker, Judy Reidelberger, Sheila Simmons, Jean Swetz, Ruth Welch and Margaret Wilkinson. The meeting was closed with "Taps."

Den One of Cub Pack One met Tuesday afternoon with the leaders, Mrs. Margaret Lee and Mrs. Margaret Reidelberger. The boys worked on shields for the theme of the month, "The Crusades." They also did research on the Crusades.

Present were Ricky Reidelberger, Timmy Tolliver, Boyce Dillman and Phillip Daniels. The meeting was closed with the law of the pack.

Winter Burgerland
Delicious, 100% pure beef, packed with an open flame! All the juicy goodness served up for the prime steak flavor! Every bite is delicious. Wholesome, hearty, and satisfying. A real challenge! Be a hero in your home! The hamburger! It's in your pocket for a snack for the family. Be a hero in your home!

Residents' Average General Sales Tax Payments*

This chart was furnished to the Press-Record by the Internal Revenue Service of the U. S. Treasury Department for the convenience of local taxpayers in making out 1961 income tax forms.

Income as shown on line 9, Form 1041, 1961	Single	2 persons	3 persons	4 persons	5 persons	6 or more persons
Under \$1,000	\$17	\$38	\$46	\$48	\$51	\$53

*Based upon the Illinois general sales tax of 3 percent through June 30, 1961, and the rate of 3 1/2 percent for the rest of the year, plus the city or county sales tax rate of 1/2 percent. Taxpayers not paying any city or county sales tax should reduce the figure in the table by 13 percent. — U. S. Treasury Department, Internal Revenue Service.

Girls, 17 And 2, Hurt In Separate Falls

Two girls injured in separate falls — not attributed to the weather — were given emergency treatment at St. Elizabeth Hospital on Tuesday.

A Venice high school senior, 17-year-old Catherine Friess, daughter of Mr. and Mrs. William Friess, 1243 Klein street, injured herself when she fell while playing basketball in a gym class at school.

In the other mishap, two-year-old Denise Myers, daughter of Mr. and Mrs. Dolphus Myers, 2829 Denver street, received three stitches on her forehead, suffered Tuesday night when she fell against a table while playing follow-the-leader. Her parents said they were visiting friends when the accident occurred in a bedroom.

GC Kiwanis Appoint Standing Committees

Membership to 15 standing committees was announced at Monday's regular meeting of the Granite City Kiwanis by newly-elected President William Hermon. It marked the first meeting for 1962 and was described as an organization session.

Chairmen of the standing committees for this year are: boys and girls work, Harry Marshall; key club, Marvin Barnes; vocational guidance, Bernard S. Miller; agriculture and conservation, Eugene Frey; public and business affairs, Harold Karand; support of churches, Waldo Frohard.

Publicity, Merlin Hiscott; weekly bulletin, Roy Graham; achievement reports and finances, Tom Killoran; attendance and membership, Freeman Wing; house and reception, Lealand Britt; Kiwanis education and fellowship, Francis Judd; in-club relations, Joe Aguiar; programs and music, Gene Litcher; and special events, Roy Feder.

Hermon announced that the District Inspirational Meeting, sponsored by the Alton Club, will be held Jan. 22 at the Mineral Springs Hotel in Alton.

REAL ANTIQUES being accumulated at the Southwest Campus of Southern Illinois University include two ornamental lighting rods, one with an artistic wrought-iron base, removed from the roof of a building, and a vintage iron. Shown holding the dual-purpose rod is a student, Lana Donneman Taylor, a junior from Mt. Olive.

Tri-City Park Rotary Club Discusses Recreation For Elderly

Possibility of launching a recreational program for retired people was discussed by Madison Rotarians at their weekly luncheon meeting yesterday. President Fred Schmidt appointed a committee to begin a study of the topic.

The group also discussed a proposed increase in water rates.

General Assembly Cost Amounted To \$3,816,746

A statement of expenses of the regular session of the 72nd Illinois General Assembly showing a total expenditure of \$3,816,746 was released this week at Springfield by State Auditor Michael J. Howlett.

Of the total, \$1,170,000 was paid on Jan. 2, 1962, representing the second installment of biennial salary for those legislators who elected to take their \$12,000 per biennial salary in two installments. All the rest of the expenses were paid in 1961.

The law permits senators and representatives to take their salary in a single lump or in two installments of \$6000 each in the two different years.

In addition to salary, legislators are allowed ten cents a mile for one round trip per week between their homes and Springfield when the General Assembly is in session, plus \$50 per session for incidental expenses. Also, expenses for all committee meetings held outside of Springfield are allowed.

A total of \$744,894 was paid to senators and salary, mileage and incidentals; and \$2,275,718 to representatives for the same. The rest of the session expenses included salaries of officers and employees of both houses, stationery, printing and office supplies, and expenses of committees.

An unexpended balance of \$715,253 was returned to the state of the \$4,532,000 appropriation voted for the regular session.

Another report will be published later of expenses of the session, when all bills have been accounted for. Auditor Howlett said. No salary is paid to legislators for a special session, but the mileage, incidentals and other expenses go on.

The statement of expenses is a public document, Auditor Howlett said. Copies may be obtained by any interested party who writes the Public Information Department, Office of the State Auditor, 201 Statehouse, Springfield.

Annual UF Meeting Set For Feb. 28

Feb. 28 has been set as the date for the annual membership meeting of the Tri-Cities Area United Fund at 7:30 p.m. in the Granite City YMCA. The announcement was made Monday afternoon at a meeting of the UF Executive Committee by Rev. Calvin Marcum, UF president.

At that time any 1962 campaign subscriber has the privilege of attending and electing members of the board of directors. Sixteen members of the present board will be going ball upon completion of three years of service.

Rev. Marcum appointed the following men to his nominating committee: Rev. Charles Mulcrone, chairman; Paul Lichtenberger, Gene Lichter, Roy Logan and A. P. Steinhilber. Nominations from the floor will be accepted the night of the annual meeting, Rev. Marcum said.

Nominations Open

A date has not been set for the nominating committee to meet. The committee also will present a slate of officers to the board of directors at the Feb. 28 meeting. After the board is elected, the membership meeting will be adjourned and the new board members will elect board officers. Once again nominations will be accepted from the floor.

The executive committee reviewed and approved the admissions and distribution of the membership report for 1962 allocations at Monday's session. The report will be forwarded to the board of directors for final approval so that the figures may be made public. A date for a meeting of the board has not been set.

'61 Balance Transferred

In other business, the executive committee directed that any balance from the 1961 operations be transferred to the UF contingency reserve.

The group also recommended that \$3316 be withdrawn from the reserve to help make up the \$18,106 deficit for agency allocations for this year. The balance of the deficit should be absorbed by the agencies, it was recommended. The distribution of the balance is to be decided by the board of directors of the United Fund.

In closing, Edward Hagauer, newly-elected director of the community services agency, introduced to the committee members present.

Truck Hits Car, Sign, Post; Arrest Drivers

Both drivers were arrested after a collision at 4:10 p.m. Monday at Broadway and Kiefer street, Venice, involving the right front fender and headlight of the westbound ton-and-a-half truck of John Schmidt, 19, High land, and the left side of the southbound auto of Herbert McCray, 35, Brooklyn.

The truck went into a spin after the collision and knocked down a state highway stop sign and 8 a.m. Tuesday and then sped away.

Hit-Run Accident

James T. Daniel, 23, of 3124 Colgate place, reported to police Tuesday at 8:25 a.m. that a southbound car on Colgate struck his parked car between midnight and 8 a.m. Tuesday and then sped away.

Other speakers of the evening were Herman Mueller of "The Stock Market" and Earl Lee of "Let's Stop Taking S---".

Arrested At Home

Jesse Lee Perrin, 619 Salvator street, Venice, was arrested at his home at 1:30 p.m. Monday on an assault and battery charge filed by his wife. He was released on bond until a hearing Saturday.

GC Asked To Aid In Radio Tornado Alert System

Granite City is being asked by Alton Civil Defense Director Richard E. Brobst to contribute \$50 toward financing an amateur, ham-operator radio network to provide a tornado alert system in cooperation with the U.S. Weather Bureau.

The request was presented during Monday night's meeting of council committee chairmen and is given further study.

In a letter to Mayor Davis, the Alton CD director explained that similar contributions have been received from other communities in Madison, St. Clair and Jackson counties with \$25 the amount received from smaller municipalities.

Plans are for a 100-watt station to be operated to replace equipment now being borrowed.

"A number of interested CD people in the Southwestern Illinois Mutual Aid Area met recently and agreed to contribute small amounts from municipal or county funds toward establishment of a permanent higher-power base station at the Lambert Field Weather Station," Brobst explained, "and operation of this station is authorized only by the meteorologist-in-charge of the bureau's station at Lambert Field and only during alerts or for tests."

Entertainment Field Influenced By Color

The impact of color in the entertainment field, particularly movies and television, was demonstrated in a sound film presented by RCA at Tuesday's luncheon meeting of the Granite City Rotary Club, held at the YMCA.

Christ Pashoff, manager of the Washington theatre, was program chairman and introduced representatives of the electronics company. A special guest was his brother, Louis Pashoff, local radio and television dealer.

Gerald Broadway, who presided in the absence of President Richard Menz, reminded Rotarians that community service project suggestions must be in by Jan. 16. It also was reported that last August's horse show netted \$2,621 for this purpose.

Dr. Leo Coleman Wins Toastmaster Award

Dr. Leo Coleman won the Toastmaster Club's "Award of the Week" for a talk on "Social Security given Monday evening during a meeting at the Grand cafe, attended by 16 members. Marvin Dean was selected as best critic, and the table topic, "Your Reaction to the Twist" was conducted by Sylvester Dulleroff.
